OPENING OF THE

FORTY-FOURTH ANNUAL SESSION

OF THE

IMPERIAL COUNCIL

Ancient Arabic Order, Nobles of the Mystic Shrine for North America

---

The Forty-fourth Annual Session of the Imperial Council was convened in the Auditorium on the Steel Pier in Atlantic City, New Jersey, Tuesday, June 4th, at 10.30 o'clock A.M.

The public ceremonies were opened by Ill. Chief Rabban W. Freeland Kendrick, of Lu Lu Temple, who introduced Ill. Newton A. K. Bugbee, the Potentate of Crescent Temple, of Trenton, N. J. Noble Bugbee introduced the Reverend Mr. Cross, who offered prayer. Lu Lu Temple Band then played the Star Spangled Banner.

Address by Newton A. K. Bugbee, Potentate of Crescent Temple.

Address of Welcome by Hon. Harry Bacharach, Mayor of Atlantic City,

Selection by Lu Lu Temple Chanters.

Address by the Hon. Walter E. Edge, Governor of New Jersey.

Lu Lu Temple Patrol then submitted a Patriotic Tableau, followed by a selection by the Lu Lu Temple Band.

The Imperial Potentate, Charles E. Ovenshire, then addressed the Imperial Council as follows:

Fraternity of the real type, of the type so commendably present in every meeting of Shrines and Shriners, finds its most courteous and hospitable expression in your reception here. Your kind words of welcome, your deeds of good will, your efforts to make our stay a pleasant one — are bright lights along the dark path the nation now is treading.

On these shores the brutal strife that is being carried on across that great body of waters emphasizes itself most strongly. Here we in peaceful convention gather, sending forth messages of peace and love and fraternal good will; across that water, within a few miles of its other shore, discordant strife, destruction, and death are the prevailing keynote.

The two pictures are the extremes — one representative of a free nation engaged in mapping out work of a peaceful nature; the other that of the world setting at defiance every sentiment that has been so eloquently and forcefully expressed here by you today. It takes no great mental effort to decide which is the better path to choose—which the nobler part to play.

In behalf of the Representatives to this body here assembled, in behalf of the two hundred and sixty-five thousand Shriners of this country, whom they represent, I accept your hospitality as cheerfully and as gratefully as your tender has been hearty and gracious, and I am sure that we are going to enjoy our stay here, enjoying your hospitality, cultivating closer friendship between ourselves and the citizens of the "City by the Sea," thus putting into practice one of the cardinal virtues of the Shrine — of "friends and more friends."

Selection by the Lu Lu Temple Chanters, after which Lu Lu Temple Band rendered a selection.

THANKS TO LU LU TEMPLE BAND AND CHANTERS

On motion the thanks of the Imperial Council were extended to the Lu Lu Temple Band and Chanters.

The public ceremonies having been concluded, those who were not members of the Order having retired, the Imperial Council was opened in due and regular form, the members of the Imperial Council present assisting.

The Committee on Credentials then rendered their report as follows:

ANNUAL ADDRESS

TO THE

IMPERIAL COUNCIL AND NOBLES OF THE MYSTIC SHRINE

BY

CHARLES E. OVENSHIRE

IMPERIAL POTENTATE

To the Officers and Members of the Imperial Council, Ancient Arabic Order, Nobles of the Mystic Shrine for North America, and to the Nobility throughout the World: Greeting.

I welcome you to this, the Forty-fourth Annual Session of the Imperial Council. You come from all sections of North America, testifying by your presence your love for the Shrine, and by your happy faces, the golden tenets of our Order,—peace, good fellowship, friendship, and an abiding faith in humanity.

May your sojourn in this "City by the Sea" be a pleasant one to you and a profitable one to the Order.

May the music of the waves of the great Atlantic, as they break beneath us, soothe and rest you, so that our meeting may be harmonious and our deliberations free from "turmoil and display," that our "pleasures may be most perfect," in greeting old friends, making new ones, and legislating wisely for the Order we all love so well.

The position of Imperial Potentate has been held by some of the noblest men in the Order, men to whom the world looked up in admiration for their ability, their brains, their influence for good in various branches of fraternities. I have now come to the close of a year's journey in this office, in which my own faltering footsteps have tried with everything there is in me to follow in their illustrious pathway. If I have made some mistakes kindly remember the lesson taught in our ceremonials. This thought is so beautifully expressed in a little toast I have used along the way, that I repeat it here:

"There is a maxim that all should be willing to mind.
'Tis an old one and a true one, as true as 'tis kind.
Should scandal or censure be raised 'gainst a friend,
Be the last to believe, the first to defend.
Tomorrow will come, when time will unfold
'That one story's good — 'til the other's been told.'

"Now a friend is like a ship that, with music and song,
The tide of good fortune wafts gently along;
But see him when tempest hath made him a wreck,
Then any mean billow may batter his deck.
So give me the heart that true sympathy shows,
That clings to a messmate whatever wind blows,
And says — when aspersion unanswered grows bold,
Wait — 'one story's good — 'til the other's been told.' "

If I have made some measure of success, that success has been due to the kindness and the assistance given me by the Nobility everywhere.

It is in rendering thanks for an honor conferred that words seem empty and meaningless things, when the lips are unable to utter the emotion that comes from the heart. I do, however, want the members of the Mystic Shrine to know just how much I appreciate the honor they have conferred on me. Yet, after all, faithful service is the true test of appreciation, and I have endeavored every moment I have held this high office to try to act the deep gratitude I feel for the high honor of holding it.

Since I have held the office there has not been a Temple which has not rendered me every assistance and co-operation, and there has not been an individual Noble who has not been ready to go on foot and out of his way to help me, to entertain me, to assist me all in his power.

I thank you all for that help, and wish I were able to take each one of you by the hand and thank you individually. If I have made one tenth as good an impression on you as the Nobility have on me I shall go out of this office well satisfied.

The year has been one of great activity. New conditions have arisen owing to the great conflict in which our country has been engaged. In a world so full of sorrow the Mystic Shrine has added a touch of happiness with its ceremonials and afforded an opportunity of touching elbows with friends and giving to one another that moral support so much needed when civilization itself seems to be tottering, while at the same time it has co-operated with every branch of the government in every way.

Since the day when the first tribe of cave men gathered up their stone axes and swam the river to give battle to a neighboring tribe war has meant just one thing — Sacrifice; sacrifice of one of two kinds, either of blood or treasure. All over the country the service flags of the various Temples are dotted with stars representing the heroes who have left that Temple to make the supreme sacrifice of blood, if necessary. May Allah bless and protect them! All over the country the other Nobles, who, for one reason or another, cannot don the uniform of their country, have been making the sacrifice of treasure by aiding the Red Cross, the Y. M. C. A., buying Liberty Loan Bonds and War Savings Stamps.

The various Temples have also done "their bit," as returns from a questionnaire show the following results:

First.	Amount of Liberty Loan Bonds purchased .	$754,200.00
Second.	Amount subscribed to the Red Cross	110,453.00
Third.	Amount subscribed to the Y. M. C. A. . . .	14,498.00

Fourth.	Amount subscribed for other war activities .	$39,661.00
Fifth.	Number of Nobles in the service	11,649
Sixth.	Number of men in the service initiated . . .	2,792

The work done by the various Temples, both financially and physically, in aid of the Red Cross cannot be too highly commended. Many Temples have organized units of the ladies of their families and the records show wonderful work accomplished by these units. Will you pardon me if I digress from matters pertaining to the Order long enough to pay a justly earned tribute to all noble women who not only have given up their near and dear, but who have taken up the work of supplying the needed remedial and comfort agents, for use on the battle-scarred and war-torn fields of the Continent? Their work may well be an inspiration to us, their spirit one to emulate, and their accomplishments a spur to renewed effort on our part to give the boys at the front every substantial evidence that we are behind them with every dollar, all our time, all our effort, and all our sincerest wishes for their speedy and successful culmination of this crime of ages.

Nobles, the time has come when there is no room in America for any one but a loyal citizen. The time has come when no man has any right to stand up when the band plays "Star Spangled Banner," or "God Save the King," unless he has made the sacrifice either of blood or of treasure. The time has come when no man has any business to wear a flag in his buttonhole if he has not made his sacrifice to push that flag just a bit closer to Berlin.

The wonderful courage and determination of our Canadian brothers on the field of battle have done much toward preserving the cause of Democracy and to make the world safe for humanity; and let us hope that our Allies, with the aid of "Uncle Sam's" boys, money, and resources now going forward rapidly, may soon bring to a successful issue the most righteous war ever waged.

I have had the pleasure of visiting personally about sixty Temples, and I wish space would permit me to tell you of the boundless hospitality, the genial courtesy, and all the good fellowship shown me by the Nobility on these occasions.

One wearies of going up and down the world, of looking at its mountains and seas, of the forests which cover it and the streams which streak it with silver. One wearies of wealth, of fame, and of excitement, but we never grow weary of looking into the friendly faces which break into smiles when they look into your eyes. On these visitations I have met so many thousands of men whom I can now call that sweetest of all names, "Friend." To me this is compensation for the years I have put in in this Imperial Council. There can be no greater recompense than to know that in passing out of this office I have the satisfaction that there is not a city of any size in the United States and Canada where there are not men who are my friends, whose hands are outstretched to grasp mine when I come.

THE HALIFAX DISASTER

While in Buffalo, N. Y., on December 6, 1917, I learned of the terrible disaster at Halifax, N. S., and immediately wired the Potentate of Philae Temple as follows:

D. A. MORRISON, Amherst, Nova Scotia.

The Imperial Council extends sympathy in this hour of your distress. I authorize you to draw on Imperial Treasurer Brown for one thousand dollars for relief of your Nobility. Wire me conditions, Minneapolis, Sunday.

C. E. OVENSHIRE,
Imperial Potentate.

I also wired the Imperial Recorder a request to issue the warrant and to the Imperial Treasurer to honor it.

I received the following reply:

Philae Temple deeply grateful for sympathy extended as well as for the kind and prompt offer of assistance. Have forwarded message to Recorder at Halifax and will wire later as requested. Probably over one thousand lives lost and several thousand seriously injured.

D. A. MORRISON.

A later telegram gave further particulars as to the extent of the disaster and closed by saying that if they found Nobles in need of outside assistance they would gladly avail themselves of our offer.

This assistance not having been called for up to January 22, 1918, I ordered the warrant canceled and wrote Potentate Morrison to that effect, and added that the amount was available for them at any time.

Later correspondence from Recorder M. McF. Hall outlined the great need of assistance and asked that our offer be made again available. This was complied with, and on March 15, 1918, the sum of one thousand dollars was sent him, receipt of which was acknowledged and a report of disbursements promised.

Says Abd-El-Kader, "Death is a Black Camel which kneels at the gates of all." While this Black Camel has knelt before the tent of many a Noble good and true, Allah has surely been graciously kind to this Imperial Council in the fact that I am not called upon to record the death of any Imperial officer or Past Imperial Potentate, although our Imperial Second Ceremonial Master, Conrad V. Dykeman, has been perilously near the Great Divide several times during the past four months, but is now rapidly convalescing.

For this special dispensation of divine Providence let us all arise, uncover, and each for himself silently render our thanks to Almighty God for His loving care and kindness to us.

As a special mark of respect please remain standing while I place upon record in this body, notice of the death of one of its oldest and most devoted members:

Dr. SARAM R. ELLISON
DIED
March 25, 1918

Noble Ellison was Recorder of Mecca Temple for twenty-five years, retiring two years ago, and would have been entitled to election as an Emeritus Member of the Imperial Council at this session as a reward for twenty-one years faithful service.

This Imperial Council has lost a most valuable member and Mecca Temple one of its most faithful officers, one whose place can hardly be filled.

To you and to them I offer most affectionate sympathy.

Suitable tribute to his worth and character will be paid by the Committee on Necrology, as well as to others of our Nobility who have passed beyond.

APPOINTMENT OF SECRETARY

The detail work of the Imperial Potentate is growing so large, and comes to one the moment of elevation to office, that one of my first acts was to appoint my official secretary.

I was fortunate enough to secure the acceptance of this appointment by Fred M. Hutchinson, a Past Potentate of Zuhrah Temple, and without a doubt the best posted Noble on Shrine laws and customs in my Temple, and one having a very large personal acquaintance all over the country.

That I secured the right man for the work can easily be demonstrated. He has been my councilor, my companion, my bodyguard on many of my visitations, traveling with me through forty-three States and the District of Columbia, a distance of about forty thousand miles.

I express to him my thanks for his faithfulness and efficiency, and the hope that the sincere bond of affection now existing between us may long continue.

AS TO MY RECOMMENDATIONS

I am making more than the usual number of recommendations. In doing this I am trying to give you the benefit of my experiences in this office, and solely for the benefit of the Order as I see it and as an uplift for the Shrine.

With the corrections to our laws to be offered by the Committee on Jurisprudence and Laws, and the adoption of my recommendations, I believe you will have plain, enforcible laws and a great improvement over present conditions.

Whether or not you adopt any of the recommendations is a matter entirely in your own hands. I will feel that I have done my duty in suggesting them to you, and will be entirely satisfied with your action whatever it may be.

As to specific recommendations allow me to say, that while I am firmly of the opinion that Past Officers of any body, and especially of the Shrine, constitute its most valuable asset, and are better qualified, on account of experiences, to guide the ship of state as a whole, but more particularly as to the laws of the Order, yet as long as I have been a member of the

Imperial Council, the annual complaint has been that all the business has been dominated and controlled from the stage and largely by Past Officers.

To overcome this and at the same time make this more of a representative body, and place these experienced Nobles where they will be of the most value, I have recommended that the Committee on Jurisprudence and Laws be composed of all Past Imperial Potentates and not to exceed three Representatives or Emeritus Members, and take the two Past Imperial Potentates from the Committee on Nominations of Honorary and Emeritus Members.

The work of the Committee on Jurisprudence and Laws could be divided into sections. For example, one taking up for consideration the amendments which are filed; another, the recommendations of the Imperial Potentate; one, his decisions, and another, the By-laws, getting each subject in proper form to submit to the committee as a whole, so that when their reports either for or against a subject come before this body it certainly would have received proper and careful consideration.

My appointments of committees have been as far as possible to put this recommendation into effect.

Believing that the standing of the Shrine will be raised and men of the highest character attracted to its membership, and with the expenses of all Temples on the increase, and many needing new homes, I have recommended that the initiation fee be increased from $50 to $75, with a minimum fee of $25 for men actually in the military or naval service. Also a means of making it easier and quicker for them to obtain the orders.

The recommendation of making every ceremonial a *dry* one needs no argument from me.

The one recommending a committee of five to revise the Ritual is also one that should receive your consideration.

Many Temples desire to confer the third section immediately following the first, and in many cases omitting the one great lesson sought to be inculcated upon the novice.

No suggestion is contained in the Ritual as to the second section, and ideas and stunts run rampant, and many not calculated to uplift, so that suggestions as to clean and wholesome fun would be a great benefit to the Order.

So many signatures on petitions for dispensations for new Temples have been borrowed, with no intention that the Noble so loaning his name was to become a member of the new Temple, that printing the law on the petition for the signer's information would be for the best interest of all concerned.

That for one to be obliged to state in his petition for the orders or membership that he is a citizen of his country needs no comments.

Regarding the one recommending a committee to revise jurisdictional lines: many cases will suggest themselves to the representatives where an apparent injustice is done to prospective candidates in compelling them to take three days time or more to secure the degrees of the Order where an adjustment of jurisdictional lines would avoid the needless expenditure of time and money.

RECOMMENDATIONS

I respectfully recommend that Section one (1), Article seven (VII) of the By-laws be amended so as to read as follows:

ARTICLE VII. COMMITTEES OF IMPERIAL COUNCIL.

Section 1. The following standing committees, each consisting of five members of the Imperial Council (except the Committee on Jurisprudence and Laws), shall be appointed by the Imperial Potentate as follows:

The Committee on Jurisprudence and Laws, the Committee on Finance and Accounts, and the Committee on Imperial Council Headquarters at annual session shall be appointed at each annual session by the newly elected Imperial Potentate and shall serve until the close of the next annual session. Should there be a vacancy in either of the above committees by death or otherwise, the Imperial Potentate shall fill said vacancy.

The committee may require itemized statements of accounts and shall inquire particularly into the estimates for current expenses, and no appropriation shall be made by the Imperial Council without reference of the matter to the Committee on Finance and Accounts, and after receiving its report thereon. It shall meet at least one day in advance of the meeting of the Imperial Council, when it shall be placed in possession of the books and vouchers of the Imperial Treasurer and Imperial Recorder and all matters pertaining to the work of the committee.

GRIEVANCES AND APPEALS. All matters of controversy, appeal, or grievance brought before the Imperial Council shall be referred to this committee, whose duty it shall be to examine into the same and report their

action thereon. It shall meet at least one day in advance of the meeting of the Imperial Council, when it shall be placed in possession of all papers and matters pertaining to the work of the committee.

JURISPRUDENCE AND LAWS. Shall consist of all Past Imperial Potentates and not to exceed three elected representatives or emeritus members of the Imperial Council, one of which three shall be chairman. NECROLOGY. To it shall be referred the names and records of the illustrious dead of the Order, that a fitting memorial may be made in the printed Proceedings of the good deeds of those who have entered into the Unseen Temple.

NOMINATION OF EMERITUS AND HONORARY MEMBERS. To it shall be referred all nominations for emeritus membership or honorary membership, and it shall be the duty of said committee to examine into the record and qualifications of all Nobles so recommended and report to the Imperial Council the names of the Nobles approved by the committee. Each name presented for consideration of this committee shall first have received the endorsement of the Temple of which the Noble is a member, said action to be had at a regular session. No name shall be printed in the Proceedings of the Imperial Council if it be rejected by that body.

IMPERIAL COUNCIL HEADQUARTERS AT ANNUAL SESSION. This committee shall consist of the Imperial Potentate, Deputy Imperial Potentate, Imperial Chief Rabban, and two members of the Imperial Council, whose duty it shall be to select a hotel at which the Imperial Council Headquarters for the next annual session shall be established, and to engage rooms for the Imperial Divan, Past Imperial Potentates, Emeritus and Honorary Members, Representatives, and their families.

That Section 1, Article X, of the By-laws be amended so as to read as follows:

"The order of the Nobles of the Mystic Shrine shall not be conferred upon any one for a less sum than seventy-five dollars ($75.00), *provided* that men actually in the military or naval service during the present war

may receive the order for the sum of twenty-five dollars ($25.00), with no rebates for expenses, fezes, buttons, or evasions allowed in either case, but Temples may increase the amount if desired."

That Section 2, Article II (2) of the Code be amended so as to read as follows:

"A Temple shall not act upon a petition for initiation of any one residing within the jurisdiction of another Temple without first obtaining permission of such Temple. It shall be competent in such cases for a Temple to waive its jurisdiction and permit another Temple to confer the order upon one residing within its jurisdiction. No Potentate, however, shall have the power in himself to grant such waiver, which authority shall be given only by action of and under the seal of the Temple so granting it. A Temple cannot grant a blanket waiver. *Provided* that persons actually in the military or naval service of their governments during the present war and temporarily in camps or service outside their home jurisdiction, who desire to be initiated into the A.A.O.N.M.S., may apply to the most convenient Temple, which upon receipt of such petition shall notify the Temple in his home jurisdiction (if in concurrent territory the Temple of the applicant's choice therein) with full particulars as to name, residence, age, occupation, and membership in prerequisite, whereupon the Potentate of said Temple so notified, and after investigation may either grant a waiver to the Temple requesting it, or may declare the applicant duly elected to receive the order in his home Temple and be a member thereof, and request the Temple receiving the petition to collect the fee and confer the order for the home Temple. *Provided,* further, that the action of the Potentate must in each case be reported to his Temple at its next regular session. Temples having concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have made made. It shall be the duty of the Imperial Potentate to suspend the work of any Temple violating the provisions of this section until the next meeting of the Imperial Council."

That the following be inserted as the fifth paragraph of Section 1, Article XV, of the By-laws:

"No beer, wine, or other intoxicating beverages shall be served or used on any premises where a ceremonial session is being held."

That a committee of five Nobles of the Mystic Shrine be appointed by the incoming Imperial Potentate to revise the Ritual, and that a sum not exceeding one thousand dollars ($1,000.00) be appropriated to defray their expenses.

That the Imperial Recorder furnish all blank applications for dispensations for new Temples and that in addition to the regular form there be printed thereon in red ink, Section 3, Article I, of the Code, for the information of the Nobles signing same.

That the form of petitions for initiation or membership be so changed as to provide a question or declaration requiring the applicant to state the country of which he is a citizen and to which he gives allegiance; and that no petition shall be acted upon whose signer resides in other than the country to which he claims allegiance, except in the case of citizens of the United States and Canada.

The appointment of a committee of five selected from different geographic divisions of our jurisdiction to consider and report to the next session of the Imperial Council as to the advisability of the revision of existing jurisdictional lines.

GROWTH OF THE ORDER

The growth of the Order for the year has been the largest in its history. The report of the Imperial Recorder showing a net gain of 20,241, and a total membership on January 1, 1918, of 259,113.

It may not occur to you that the Shrine is growing so fast, yet it has more than doubled in membership in the past ten years, and the future watchword should essentially be quality rather than quantity.

FINANCIAL

The financial report will show receipts from all sources of $105,748.28 (a gain of $15,850.67), with disbursements of $112,887.83. The net balance in the hands of our Imperial Treasurer on May 1, 1918, was $135,728.72.

The Imperial Treasurer, on behalf of the Imperial Council, has purchased and paid for Third Liberty Loan Bonds to the amount of $10,000.00.

BONDS OF IMPERIAL TREASURER AND RECORDER

The bonds of the Imperial Treasurer and Imperial Recorder in the sums of fifty thousand ($50,000.00) and ten thousand dollars ($10,000.00) respectively, were renewed and mailed to me promptly, and have been constantly in my possession as required by law. I have them here ready to turn them over to my successor at the pleasure of the Imperial Council.

There is no more time-honored or better expression than "Harmony prevails."

There is no strife in any Temple of the Mystic Shrine in North America. Every Temple is at peace with every other, and this session of the Imperial Council will show no man's hand or voice raised against another. This condition is most praiseworthy and we are duly thankful for it.

CONCLUSION

The greatest year of my life is drawing to a close. The greatest honor of my life has been conferred upon me; the greatest opportunity of doing good or ill for the Order I love so much has been mine; the greatest opportunity of putting in practice my life's "hobby," that of cementing the ties of old friends closer, and of making new ones, has also been mine. The greatest year for meeting delightful representative citizens of the highest

standing in every locality I have visited has been enjoyed. In short I have had the most wonderful experiences that can come into the life of an ordinary man like myself. For all of this I am most truly and profoundly grateful.

I am also most grateful for the privilege of being associated with the splendid gentlemen composing the Imperial Divan, for their co-operation and advice, especially Deputy Imperial Potentate E. J. Jacoby and Imperial Chief Rabban W. Freeland Kendrick, who have at all times been "Faithful" and fully equal to the "Moslem test." They have surely been an inspiration to me and of greatest assistance.

Of that faithful and efficient pair, — the Imperial Treasurer, Wm. S. Brown, and Imperial Recorder, Benj. W. Rowell,—words fail me to describe their devotion and service to this Order. That they are the right men in the right places has been demonstrated often during the year, and any Imperial Potentate would indeed be lost without their experienced assistance.

No mistake was made in appointing Noble Philip D. Gordon chairman of the Committee on Jurisprudence and Laws, in which position he has devoted his splendid qualities of mind and heart to the most faithful discharge of the duties of his office.

Of my Secretary, Fred M. Hutchinson, I have already spoken, and of many more I should speak, so will say again that every Noble everywhere has been most devoted, and I again express my love for each and all.

For the faithfulness and devotion of my home Temple, "dear old Zuhrah," I acknowledge a debt of gratitude that I can never repay.

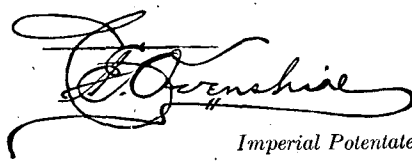
To those devoted Nobles of Zuhrah, Past Potentates Wm. A. Elliott, Frank J. Meyst, Fred M. Hutchinson, Wm. H. Crilly, Tom Voegeli, V. D. Jones, N. B. Patton, and Potentate Archie N. Wilcox; the famous Zuhrah Quartette, and Nobles Leonard Paulle, E. F. Comstock, W. L. Hathaway, A. A. D. Rahn, A. M. Chesher, Geo. F. Dickson, M. Bruce Carpenter, and others who have made many of my official trips with me, and thereby added much to my pleasure, I want to add a word of thanks, and say that no man was ever blessed with more loyal friends than they have been to me.

For the loyalty of Osman, Aad, El Zagal, El Riad, Yelduz, Kem, Khartum, and other Temples, I am deeply grateful.

To those friends who made possible my entering the Imperial Divan, especially to my Shrine "Daddy," Past Imperial Potentate Harrison Dingman, I want to say that my ambition since that time has been to merit, at the close of my official career in this body, the confidence they reposed in me ten years ago.

May the blessing of Allah be with you always.

Affectionately yours in the Faith,



Imperial Potentate.

DECISIONS

No. 1.

A Noble from Bedouin and Jerusalem Temples each was refused demits on account of assessments having been levied by the Temple, appealed to me, and while the matter was not legally before me, I did not feel like standing on technicalities and so investigated each case and found that after due notice the assessment was legally voted, therefore under Section 6, Article XII, of the Code, the action of the Temple in refusing to grant demit was duly sustained.

No. 2.

Louis N. Donnatin, Recorder of Mecca Temple, asks if the sanction of both the Illustrious and Imperial Potentates is necessary for patrol or band to appear at a reception, ball, concert, pilgrimage, outing, banquet, etc.

Ruling: A band or patrol may attend receptions, balls, concerts, banquets, or ceremonials given by their Temple without dispensation, while an outing or pilgrimage would require one.

No. 3.

Illustrious Noble Rufus W. Finley, Potentate of Tebala Temple, of Rockford, Ill., asks if his Temple will be allowed to accept as degree fee ten dollars ($10.00) in cash and notes for forty dollars ($40.00).

Ruling: Section 1, Article X, of the By-laws of the Imperial Council, says: The Order of the Nobles of the Mystic Shrine shall not be conferred upon any one for a less sum than fifty dollars ($50.00), which means that a cash payment of ten dollars and a note for the balance does not comply with the law.

No. 4.

Many requests have been received, especially from Temples located near cantonments, for permission to initiate men who are in the service into the Shrine, regardless of jurisdiction and in some cases without fee, the claim generally being that it would be patriotic and that same was being done almost without limit by Scottish Rite bodies.

It has been very hard for me to refuse these requests, as my heart is with the boys who are fighting, or going to, for our homes and humanity, yet I have not felt that I was superior to the laws of this body which I had obligated myself to uphold.

It does not seem necessary to go into details in the many situations that have arisen, as the general rulings cover all cases:

First: Men in Army or Navy Service do not gain residence in camps whether there six months or more.

Second: In such cases they must apply and be elected in their home Temple or waiver secured.

Third:— That *Potentates* cannot grant waivers.

Fourth: That Temples cannot grant blanket waivers.

Fifth: That the regular fee of the Temple must be paid, but that it was competent for a Temple at a regular meeting to vote money out of its Treasury to reimburse.

No. 5.

W. T. Bourke, Recorder of Tangier Temple, at Omaha, Neb., wrote me on November 10, 1917, stating that several members of Tangier Temple who signed the petition for a dispensation for Tehama Temple, at Hastings, Neb., had written him that they wished to resume their membership in Tangier Temple.

Noble Bourke asks the following:

If a member of Tangier Temple who signed the Tehama Temple petition wishes to resume his membership in Tangier Temple *at once*, can he do so, or must he remain a member of Tehama Temple, U.D., until the time the dispensation is surrendered? He also enclosed form of notice as follows, for approval:

"R. R. DAMERELL, *Recorder, Tehama Temple, U.D.*,
Hastings, Neb.

Illustrious Sir and Noble: This is to officially notify you that I wish to withdraw from Tehama Temple, U.D., and resume my membership in Tangier Temple.

Please take the necessary action to make this effective at once.

Yours in the Faith,

Signed.....

Address.....

Date.....

Ruling: Section 1, Article XII, of the Code, gives a member who has signed a petition for a new Temple permission to withdraw and resume his former membership upon giving notice to the new Temple either in writing or personally in open session, of his wishes in the matter, and this can be done at any time.

I refused to approve the form of notice of withdrawal, as it would seem to be a wholesale request to withdraw, to the detriment of the new Temple.

Recorder Bourke not feeling satisfied with my ruling replies in a long letter under date of November 28, 1917, and among other things says:

First, that he is trying conscientiously to perform his duties as Recorder, do his duty to members who signed the Tehama petition, and at the same time be fair to the new Temple.

Second, that more than twenty life members of Tangier Temple signed the Tehama Temple petition and fully as many more who will automatically become life members in a few years, as well as many others who have paid dues in Tangier Temple for many years.

Third, enclosed the following letter from one of their members which explains itself.

NOVEMBER 28, 1917.

W. T. BOURKE, *Recorder*,
505 City Hall, Omaha, Nebraska.

Dear Sir: I received by today's mail the enclosed letter. I signed a petition to institute a Temple at Hastings, Neb. At the time I signed this petition I had no intention to demit from Tangier Temple. I understood from the persons having the petition that all they wanted was the signatures of a certain number of Shriners before they could establish a Shrine at Hastings. I did not understand that my signing the petition was demitting from Tangier Temple to the new Temple at Hastings. I do not want to change my membership from Tangier Temple and if there is any way to get out of doing so, I want you to advise me.

Yours fraternally,
WM. MITCHELL.

Fourth, enclosed a long circular letter which he proposed to send to all members of Tangier Temple who signed the Tehama petition, notifying them of their present standing and how they could return to their former membership if they so desired, for my approval.

Ruling: I cannot sanction your sending out copy of form letter, as it would be in effect a wholesale request for your former members to withdraw from Tehama Temple and go back to Tangier. If your members signed a petition which they did not understand, it should be left to them to find the way to cure it.

No. 6.

Harry D. Hosmer, Recorder of Ismailia Temple, Buffalo, N. Y., asked for ruling in connection with a member of Ismailia Temple who had signed the petition for a dispensation for Abou Saad Temple, Canal Zone, under similar circumstances to the above and who desires to remain a member of Ismailia Temple.

Ruling: Quoted Section 1, Article XII, of the Code of the Imperial Council, which gives permission to withdraw from new Temple and resume membership in his former Temple by giving proper notice, etc.

No. 7.

Cyprian C. Hunt, Potentate of Mecca Temple, New York City, wrote me on November 14, 1917, that certain members of Mecca Temple Band had, contrary to his explicit orders, taken instruments and music and played at a concert given by Pioneer Lodge, F. & A. M., at Hackensack, N. J., outside the jurisdiction of Mecca Temple and without dispensation, claiming they had done so as individuals and not as Mecca Temple Band, and for which he had ordered their names to be stricken from the roll of membership in Mecca Temple Band and asking if he was within his rights in so doing.

Ruling: Section 6, Article II, of the Code of the Imperial Council places the band and patrol entirely under the control of the Potentate. Your action is therefore fully approved.

No. 8.

Dr. Saram R. Ellison, representative from Mecca Temple, writes under date of September 7, 1917, that it has been customary in Mecca Temple for its Executive Committee, at their November meeting, to prepare a ticket of officers for the ensuing year and that the ticket is placed at the entrance to the session room at the annual meeting, and asks if such action is legal.

Ruling: Article XV of the Code absolutely prohibits such tickets.

No. 9.

OASIS OF THE PANAMA CANAL ZONE,
January 26, 1918.

Hon. CHARLES E. OVENSHIRE, *Imperial Potentate, A.A.O.N.M.S.*,
Minneapolis, Minn., U.S.A.

Illustrious Noble: An interpretation is respectfully requested as to what action is expected of Abou Saad Temple, U.D., in connection with securing a charter. The last paragraph of Section 1, Article IX, Constitution of the Imperial Council, reads:

> "No charter shall be granted to any Temple until it has *worked* under dispensation for a period of at least the time elapsing between two sessions of the Imperial Council," etc.

Our installation was held on November 30, 1917, while our first WORK was actually performed on December 1, 1917. We anticipate holding another ceremonial on May 11th, which will bring our membership considerably above the four hundred mark.

Would it be considered proper for us to ask for a charter at Atlantic City, or shall we have to wait until the 1919 meeting of the Imperial Council? The whole matter resolves itself into the question as to whether we could be considered to have WORKED beginning June 27th, when the dispensation was granted, or only from November 30th, when we were instituted.

Your courtesy in this matter will be much appreciated. With very best wishes for a prosperous New Year from all of us, I am,

Sincerely in the Faith,

FRED H. STEPHENS,
Recorder.

Ruling: It will be perfectly proper for you to apply for a charter for Abou Saad Temple at the next meeting of the Imperial Council in June, 1918.

CHAS. E. OVENSHIRE, Esq., *Imperial Potentate, A.A.O.N.M.S.*,

Dear Noble Ovenshire: We have been requested to make blanket waivers for candidates, especially for Hamasa Temple, at Meridian, Miss. We granted waivers on twelve names, but the latest request from there is for us to give a blanket waiver to include any one from Indiana.

We made waiver of this kind to Moslem Temple, Detroit, but later had word that under instructions from you the meeting had been called off.

Will you kindly let us know what is the proper thing to do in cases of this kind?

Wahabi Temple, at Jackson, Miss., wrote us some time ago suggesting that any candidates from our jurisdiction could be elected here and we

could request them to give the work at Jackson, Miss., which would be done entirely complimentary to this Temple. This method, we think, shows the proper spirit and should be commended.

Awaiting your instructions in the matter, I beg to remain,

Yours in the Faith,

JAY O. SCHULTZ,
Potentate.

November 30, 1917.

AT OKLAHOMA CITY, OKLA.

Mr. JAY O. SCHULTZ, *Potentate Zorah Temple,*
Terre Haute, Ind.

My dear Potentate: Your esteemed favor of the 23d inst. has just been received, and in reply to your query as to disposition of requests for blanket waivers, beg to say that I have ruled that Potentates have not the right to grant waivers, the law saying that Temples may do so under seal, but Temples cannot grant blanket waivers, it being necessary for Temples to have names and addresses.

Article II, Section 2, of the Code tells you just what may be done, and beyond that you or your Temple has no authority.

With the hope that this will give you the information desired, and with kind regards and all best wishes, I am,

Sincerely and in the Faith,

No. 11. MINNEAPOLIS, MINN., October 30, 1917.

C. E. OVENSHIRE, *Imperial Potentate,*
Minneapolis, Minn.

Dear Charlie: At a stated session of Zuhrah Temple, last Friday evening, Noble Al Pray offered the following motion and it was adopted in the affirmative by a small vote, there being only one dissenting vote. It was sprung on the Temple just at the close of the session and no one seemed to realize its full meaning and effect, and no one spoke on the subject except Noble Pray, when he presented it. I asked for remarks, but none were made. I put the motion and probably fifteen to twenty-five hands went up out of an attendance of over two hundred.

> "All petitions for the Order received by this Temple shall be read at a regular meeting and referred to a committee consisting of three members, which shall report at the next regular meeting of the Temple before being acted upon."

Notwithstanding its adoption I feel sure we did not vitiate our right to act under any special dispensation granted by an Imperial Potentate, hence I am making such request on another inclosure. I am of the opinion that the motion conflicts with Section 1, Article VII, of the Code. Am I right? Please answer as soon as possible, as I am holding up a letter to the Nobility in regard to the ceremonial until I hear from you.

If you grant special dispensation as requested I will act under that and disregard the motion above noted.

With best wishes to you and Fred, I remain,

Yours in the Faith,

NORMAN B. PATTEN,
Illustrious Potentate.

November 2, 1917.

AT BOSTON, MASS.

Dr. NORMAN B. PATTEN, *Potentate Zuhrah Temple,*
Minneapolis, Minn.

My dear Doctor: I beg to acknowledge receipt of your esteemed favor of the 30th ult. relative to the resolution adopted by Zuhrah Temple at its regular meeting, October 26th, and in reply have to say: The resolution is directly in conflict with a part of Section 1, Article VII, of the Code, which says, "Petitions shall be referred to a committee at a regular or special meeting of the Temple and not be acted upon until such committee reports, at the same or any succeeding meeting."

I have therefore asked the Imperial Recorder to send you the dispensation asked for, and you may proceed as though the resolution had never been presented.

With the hope that this will be satisfactory, with kind personal regards and all best wishes, I am,

Sincerely and in the Faith,

Imperial Sir and Noble: At a regular meeting recently held by El Mina Temple the question of waiving the payment of dues or remitting same to all our members who have enlisted in the service of our country, was presented and discussed. Before final action was had, the Potentate instructed the Recorder to address a letter of inquiry to you to ascertain the legal status of such procedure and whether it would be permitted under the laws of the Imperial Council. We are informed that other Temples are sending out complimentary cards and our Temple will be glad to do likewise if permitted.

Thanking you for an early reply, I am, with regards and best wishes,

My dear Recorder: Your esteemed favor of 22d ult. has not had an earlier reply, for the reason that I have been on a trip to the Pacific Coast, returning yesterday, and now beg to say that it is within the powers of your Temple to remit the dues of your members who are in the service.

Nearly every Temple has taken this action, and it is one which reflects credit on a Temple, as every Noble who has gone into the service of our country deserves everything we at home can do for him.

I have had requests from many Temples for ruling as to whether fees and dues were subject to war taxes.

On February 25, 1918, I wrote the Commissioner of Internal Revenue at Washington, D.C., asking for his ruling on fees and dues in the Shrine.

B. C. Keith, Deputy Commissioner, replied under date of March 1st that the Department had ruled on January 19, 1918, that fraternal societies are social organizations within the meaning of Section 701 of the Act of October 3, 1917, and that their *dues* are taxable unless exempted by the Act, i.e., under twelve dollars, or are purely beneficiary orders as evidenced by their charter or by-laws and operating under lodge system.

No mention was made in his reply as to fees. I at once asked for a specific ruling as to fees, but up to date no reply has been received.

On April 5, 1918, Lee S. Smith, Grand Master of the Grand Encampment, Knights Templar, issued a circular in which he says "Commissioner Roper has ruled Masonic bodies are not liable for taxes under Section 701 of the Act of October 3, 1917."

Adding "This includes Knights Templar," and I therefore assume the Shrine also.

The following telegram was received:

"Notwithstanding the law of the Imperial Council prohibits the circulation of resolutions or letters by a Temple suggesting or recommending proposed candidates for office in that body we are constantly receiving such circulars announcing the candidacy and urging the election of members who aspire to be Imperial Outer Guard. Will you please advise if the law in that respect has been changed, as this Temple has a candidate to present for that office in the person of Leo V. Youngworth, and we should like to be on an equal footing with the other Temples who are electioneering through the medium of circulars, resolutions, etc. We innocently sent out such a circular last year following a custom that is so general. The standing resolution on the subject, however, is explicit, and we were wrong unless there has been some ruling in the premises which justifies the practice now so common. May we have your ruling in the premises?

WM. E. BUSH,
Potentate Al Malaikah Temple."

Ruling: Refer to Section 2, Article IV, of Constitution, which supersedes standing resolution.

On November 23d, Noble Jack Biddle, Potentate of Zamora Temple, wired me that Lieutenant Connolly, of Birmingham, then stationed at Camp Pike, Little Rock, Ark., had petitioned Zamora Temple for the Shrine degree, and that it was impossible to obtain leave of absence for Zamora's ceremonial, November 29th, and asked that I request Al Amin Temple to ballot and confer degree.

I replied by wire as follows:

"Competent for Zamora waive on Connolly and request Al Amin elect him and confer degree."

On December 17, 1917, Noble F. E. Shepard, Potentate of Zamora Temple, wired that Geo. A. Grille, private at Camp Wheeler, Macon, Ga., had made application to Zamora Temple for Shrine degree, and Zamora, having no definite date for ceremonial, asked me for special dispensation waiving ballot in Zamora Temple, and to request Al Sihah Temple to confer degree on December 20th.

On December 18th I wired as follows:

"Have no authority to waive ballot on Grille."

On December 19th, Potentate Shepard again wired, asking for same action as on November 23d, and on even date I wired him as follows:

"If Zamora wishes to waive on Grille, Al Sihah can elect and confer degree. Grille will belong to Al Sihah."

Dr. SARAM R. ELLISON, *Recorder Emeritus, Mecca Temple,*
New York, N. Y.

My dear Doctor: In your favor of 3d inst., you ask, "Can a Potentate or other officer ask for a dispensation other than by request of the Temple and seal?"

My decision is that the Potentate, or the Recorder under direction of the Potentate, can ask for and receive dispensations. You also ask, "Am I to understand the appeal from the Potentate's decision refers to all things . . . or does it refer to matters of law or actions during a session?" Again, "Does he preside as Potentate with all his authority (meaning over the meetings of the Executive Committee), or is he simply chairman, and amenable to the rules of all committees, i.e., to appeal from his decisions?"

I quote from your by-laws, under "Executive Committee," Section 3: "The Executive Committee shall consist of the Charter Members, Officers elected and appointed, Trustees, Representatives to the Imperial Council, Past Potentates of Mecca Temple, Chief of the Arab Patrol, and five Executive Members to be elected at the Annual Session. The Illustrious Potentate shall preside and the Recorder act as Secretary. They shall meet once a month at the call of the Illustrious Potentate, and are empowered to hire necessary help, provide appropriate entertainments, secure proper places for meetings, summon members before them for investigation of charges of nonpayment of dues or any violation of duty or decorum, and transact such other business as may be found necessary in the interim of Sessions of the Temple."

My decision is that the Potentate presides over the meetings of the committee as chairman, and not as Potentate, and that Section 3, Artic VIII, of the Code does not apply.

No. 18.

CHATTANOOGA, TENN., December 8, 1917.

Noble CHARLES E. OVENSHIRE, *Imperial Potentate, A.A.O.N.M.S.*,
Minneapolis, Minn.

Imperial Sir: The Recorder of Alhambra Temple, Chattanooga, Tenn., has twelve requests (duplicates coming to me) for demits from Nobles desiring to affiliate with Kerbela, Knoxville, Tenn.

I wrote the applicants that neither the Potentate nor Recorder had authority to personally grant demits — that this could be done only by the Temple. Since writing these Nobles I have learned that Kerbela was anxious to have the demits in hand at their regular December business session, which is some ten days earlier than Alhambra's.

In telephone conversation Illustrious Potentate Chas. Lovett of Kerbela Temple, Knoxville, Tenn., said in effect that should requests of similar nature come to him demits would be sent the applicants immediately. I do not agree with him, because the Imperial law, to me, plainly indicates that demits can only be granted by the body of the Temple in regular stated business sessions.

As the Imperial records will show, there has been considerable friction between Alhambra and Kerbela Temples which has been detrimental to Shrine interests. This friction, however, was prior to the present year. In order to keep in force the present era of peace and good will I am sending these demits requested, hoping for a ratification of my action at our next regular business session, which is the 21st inst.

For our records and future guidance I shall greatly appreciate your ruling on this point.

I am, sir, with high regard,

Sincerely yours in the Faith,

J. R. HUFF,

My dear Potentate: Your esteemed favor of 8th inst. has not had an earlier reply because of my absence from home, making official visitations.

Relative to the subject-matter therein contained, viz., granting of demits, beg to say this is absolutely a matter for the Temple, and Potentates have no authority to grant them.

When it becomes necessary to conflict with the laws of the Imperial Council to keep peace between Temples, something should be done.

With the hope that your differences may be adjusted legally, and with kind regards and all best wishes, I am,

Sincerely and in the Faith,

Mr. L. N. COGLEY, *Recorder Abou Ben Adhem Temple,*
Springfield, Mo.

My dear Recorder: I have yours of the 18th inst. enclosing papers in the matter of Noble Alfred Reynolds, of Ellensburg, Wash.

Under date of November 23, 1915, he writes you as follows:

> "Will you please send me certificate of standing, so that I may be able to join the Temple either at Seattle or Tacoma, this State? I had the pleasure of meeting some Springfield Nobles at Seattle."

Your reply follows:

> "*To whom it may concern:* This is to certify that Noble Alfred Reynolds, a member of this Shrine, having applied in writing for a certificate of good standing for the purpose of joining Nile or Afifi Temples at Seattle or Tacoma, Wash., is hereby granted same, as his dues in this Temple are paid up to and inclusive of December 31, 1915."

My ruling is that Noble Reynolds's letter was a request for a demit, and should have been presented to your Temple at its next regular meeting, and a demit granted. There was no authority for the issuance of a certificate of "good standing," as the year card was sufficient. He, probably thinking he had a demit, presented it to Afifi Temple, and they probably so regarding it, elected him as a member of their Temple. The Recorder of Afifi Temple was under no obligation to advise your Temple that they had accepted Noble Reynolds as a member. He is a member of Afifi Temple, and you will therefore erase him as a member of your Temple, and cancel the charge you have against him for dues, and so notify Noble Reynolds.

With the hope that you will recognize this as the only fair solution of this matter, with kind regards and all best wishes, I am,

Sincerely in the Faith,

C. E. OVENSHIRE,
Imperial Potentate.

OFFICE OF THE IMPERIAL POTENTATE,
MINNEAPOLIS, MINN., August 1, 1917.

OFFICIAL CIRCULAR, NO. 1
Series of 1917–1918.

To the Illustrious Potentate, Officers, and Members of Temples, A.A.O.N.M.S.:

My dear Nobles: I was requested by Mr. Herbert C. Hoover, Food Administrator, to visit Washington, D. C., on July 12, 1917, to assist in formulating a plan of Food Conservation among the more important fraternal organizations, of which some twenty-five were represented. The following is the subtance of resolutions adopted at this meeting:

> "The attitude of Food Administrator Hoover was unqualifiedly endorsed, particularly that recommending continuous, systematic, organized effort along conservation lines and that the family purchases, as far as possible, be taken home and deliveries curtailed. Especial stress was laid upon the necessity for conservation of fats, sugars, meats, and wheat."

The need, in fact the necessity, of eliminating waste and of saving food, especially meat, foods made from wheat, and fats, is imperative, not only by Temples in the form of formal banquets, but by every home and by every person. It seems to me to be a case of saving to feed our Allies, who are doing our fighting, or of doing the fighting ourselves in a larger measure later. Mr. Hoover says that voluntary saving and co-operation with the Food Administrator *now* will obviate being *forced* to do it later.

In these times of dire stress, when the best of the nation's brains and brawn are being called to the defense of dear Old Glory and to the aid of our Canadian Allies who have so bravely borne the brunt and stress of battle, I feel every Temple should by organized effort do its "bit" in looking after these boys and their families.

While the Shrine is not a prohibition organization, the troublous times bid us act wisely and conservatively in all ways which might lead to undue hilarity and waste, and as an example worthy of imitation I mention for your consideration the fact that many of the Temples are now dry.

Many Temples have subscribed for Liberty Loan Bonds, or to the Red Cross, or both. Some, so far as advised, have done nothing.

One Temple has purchased, equipped, and will maintain at its own expense during the continuance of the war, a complete Hospital Corps. Another Temple, besides subscribing liberally for bonds, has donated $1,800.00 to the Red Cross (about $1.00 per member), and in addition is

organizing its ladies in the various towns and cities in its territory into Shrine Red Cross Units, agreeing to furnish free all the material these units will make up for the boys at the front.

Several have remitted the dues of all members while at the front, whether they need it or not, to place all on an equality.

I would therefore make the following suggestions:

1st. Adopt a five minutes order of business on Food Conservation at each meeting and ceremonial, and have some one prepared to explain the necessity of saving food, using the facts and figures which will be furnished by the Food Administrator, and sent you by our Imperial Recorder, keeping everlastingly at it as a campaign of education.

2d. Substitute ordinary dinners or buffet luncheons for banquets.

3d. If you do not run a "dry" Shrine, come as near to it as possible.

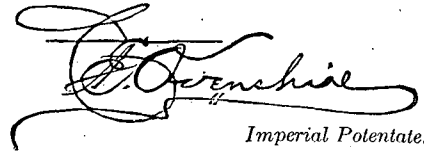
4th. Remit the dues of all your members while they are at the front.

5th. Organize for taking care of our boys and their families.

6th. Keep me posted as to what you accomplish, as your success will be an inspiration to other Temples, as at the end of my administration I want to report what the Shrine as a whole has accomplished.

I ask the sincere co-operation of every Noble in all of these matters. If my administration is to be distinguished for anything, let it be along the line of loving co-operative services by the Nobility for the benefit of Mankind.

Affectionately yours in the Faith,



Imperial Potentate.

Ancient Arabic Order Nobles of the Mystic Shrine for North America

OFFICE OF THE IMPERIAL POTENTATE,
MINNEAPOLIS, MINN., October 30, 1917.

Illustrious Potentates and Nobles of all Temples, Ancient Arabic Order of Nobles of the Mystic Shrine for North America:

"Es Selamu Aleikum"

Illustrious Nobles: At all times a generous spirit of helpfulness abounds in the Mystic Shrine, but as Christmastime approaches, when all citizens of our jurisdiction emphasize the spirit of giving, the members of our noble Order always respond liberally to the inspiring impulse of charity.

"Charity never faileth. . . . And now abideth Faith,
Hope, Charity, these three; but the greatest of these is Charity."

In celebrating the coming Christmas, I fraternally remind our Temples and their membership to feed the hungry, give cheer to those in distress, and bring sunshine into the homes of the needy. I recommend that this year our Charity take the form of Christmas baskets, and that Temples request the co-operation, not only of the Nobles, but of their ladies, in searching out the poor to whom a well filled basket may bring Christmas good cheer.

I suggest that each Potentate appoint a strong committee, who shall have this matter in charge, under his direction.

It is ordered that this circular be read at the head of each Temple at the first session after its receipt.

Given under my hand and the seal of the Imperial Council this fourteenth day of the first month, Moharrum, 1336, October 30, 1917.

OFFICE OF THE IMPERIAL POTENTATE,
MINNEAPOLIS, MINN., November 9, 1917.

Illustrious Potentates and Nobles of all Temples, Ancient Arabic Order of Nobles of the Mystic Shrine for North America:

"Es Selamu Aleikum"

Illustrious Nobles: At the Forty-third Annual Meeting of the Imperial Council, at Minneapolis, the Imperial Potentate, Henry F. Niedringhaus, recommended as follows:

> "The grim Reaper daily stalks among our ranks, and I feel that a day should be set apart when the entire Nobility of the Mystic Shrine should pay tribute to the departed, and at the same time engage in devotional exercise. I therefore recommend that the Imperial Council determine upon a date which shall annually be known as Shrine Memorial Day."

The Committee on Jurisprudence and Laws, to whom the recommendation was referred, slightly modified it as follows:

> "Referring to the recommendation by the Imperial Potentate regarding the holding of an annual memorial service, your committee feels, that while such a proceeding would be highly commendable, it would not be advisable to make it *compulsory* in all Temples. They recommend, however, that the Imperial Potentate issue each year a General Order requesting each Temple to hold such a service."

Sorrow cannot be enforced by law, neither can it be made retroactive; yet to pause once a year to pay tribute to those Nobles before whose tent the Black Camel has knelt is in full keeping with that spirit of love, charity, and sentiment inculcated in our Order.

Mecca, the mother Temple, held such a service last year and called it "In Challa," "As Allah Wills," and I feel that the phrase is a most fitting one. This order is therefore a request for the Temples of the Mystic Shrine to pause for one evening, to be set aside by them and known as "In Challa," to pay respect to the memory of the departed Nobles of that Temple.

Their labors are done, they have served in their day, so let us publicly show how dear to us their memory is, and let the keynote of the evening be those words of "He who died at Azan":

Faithful friends! It lies, I know,
Pale and white and cold as snow;
And ye say, "Abdallah's dead!"
Weeping at the feet and head.
I can see your falling tears,
I can hear your sighs and prayers;
Yet I smile and whisper this —
"I am not the thing you kiss.
Cease your tears and let it lie;
It was mine — it is not I."

Representatives are hereby notified that the Imperial Council Committee whose duty it was to secure quarters for the Imperial Officers and representatives in attendance at the Forty-fourth Annual Session, report that the contracts with the hotels call for four days, and representatives are expected to comply with the contract.

Assignments of rooms to the representatives will be forwarded very soon and representatives are earnestly requested to immediately, upon receipt of the cards, sign and return the proper card, as all rooms not taken by representatives thirty days before the session are to be transferred back to the hotels.

If this request is not complied with, the representatives are liable to be without a place to sleep at Atlantic City, as at that time of the year all hotels are crowded to their utmost capacity.

SPECIAL DEPUTIES' REPORTS

LINCOLNTON, N. C., October 6, 1917.

Mr. CHARLES E. OVENSHIRE, *Imperial Potentate, A.A.O.N.M.S.*, Minneapolis, Minn.:

Imperial Sir: Acting under your commission of the 9th August, 1917, I proceeded to New Bern, N. C., where, on the 26th day of September, 1917, at 3 o'clock P.M., I did in full form and ceremony, as prescribed by the Imperial Council, constitute "Sudan Temple" under its charter issued by the Imperial Council at its Forty-third Annual Session.

Past Potentate Walter S. Liddell, of Oasis Temple, acted as Imperial Marshal.

At the conclusion of the ceremonies of constitution, the Temple proceeded to elect officers, resulting in the continuance in office of all who had served as such while working under dispensation.

These I immediately installed and then turned over the Temple to the Illustrious Potentate, A. B. Andrews, of Raleigh, N. C. The Illustrious Recorder, Dr. J. F. Rhem, the "wheel horse of Sudan Temple," was prevented from being present by a severe illness, but I am happy to say is now rapidly recovering.

Sudan Temple starts out with a strong and enthusiastic membership, composed largely of representative men of eastern North Carolina, and I thank you most sincerely for the honor conferred by appointing me to act as your special deputy on this occasion.

Yours in the Faith,

R. S. REINHARDT.

WASHINGTON, D. C., October 5, 1917.

Mr. CHARLES E. OVENSHIRE, *Imperial Potentate, A.A.O.N.M.S.*,
Minneapolis, Minn.

Imperial and Dear Noble: I have to advise that in accordance with your designation of August 9, 1917, naming me as your special deputy for the purpose of constituting Kazim Temple, at Roanoke, Va., under their charter, that I left here on the evening of September 28th, accompanied by Potentate L. Whiting Estes, Past Potentates Roe Fulkerson and James T. Gibbs, and Noble Henry Lansburgh, of Almas Temple, all of whom were former representatives to the Imperial Council, for the purpose of constituting the said Kazim Temple on the evening of September 29, 1917.

On our arrival at Roanoke, Va., the next morning, we were met by a Special Committee, consisting of Nobles H. H. Markley, C. B. Cole, and J. B. Bandy, who escorted us to the hotel and saw our party duly assigned to rooms reserved for us.

During the day the committee above named, assisted by Potentate R. H. Angell and other Nobles, were untiring in their efforts to make our sojourn in their city most decidedly pleasant.

The session of Kazim Temple was fixed for seven o'clock at the Masonic Temple, a very fine and commodious building, and at 7.45 I was announced by Past Potentate Roe Fulkerson, acting as the Imperial Marshal, and was promptly and most graciously received by Illustrious Potentate R. H. Angell, assumed charge of the Temple, and the ceremonies of constituting them as a Temple, under charter, was proceeded with in ample form.

Following the constitution of the Temple, the election of officers under their charter was ordered and most pleasantly carried out and each officer duly installed into the position voted to him.

List of officers: R. H. Angell, Illustrious Potentate; O. D. Oakey, Chief Rabban; W. C. Stephenson, Assistant Rabban; C. A. Woodrum, High Priest and Prophet; H. E. Gettys, Oriental Guide; H. A. Pratt, Treasurer; John T. Cullen, Recorder.

I presided over the Temple during all these ceremonies and endeavored to give them advice looking to the upbuilding and advancement of their Temple in all good ways and for the general good of our Order.

The Temple had a class of twelve candidates and at the conclusion of the work each of them was sure they had been regularly made Nobles of the Mystic Shrine.

At the close of the first session under charter their membership was 534, a most creditable exhibit. I predict for Kazim Temple splendid success. Masonry is up and doing in this section and at their next session they are confident they will have a large class of candidates.

The Arab patrol, under the command of Capt. R. F. Taylor, gave a most gratifying exhibit of their proficiency. The membership of the patrol was selected from those living in Roanoke and its immediate vicinity, yet to show the splendid spirit that exists in Kazim Temple, fifteen of the Lynchburg Nobles, members of the Temple, not to be outdone, sprung a surprise on the Temple by giving an exhibit of their drilling abilities, which was pleasing to all present.

During the afternoon a most creditable parade of the Temple was had through their principal streets, starting from railroad station, on the arrival of a fine contingent from Lynchburg, Va. This parade was a matter of evident pleasure to the large number of their citizens, who lined the streets of this most interesting Southern city, and who showed their most hearty appreciation of the fine showing made by the Nobility in the most generous applause.

I submit a copy of the menu for the dinner most delightfully served at the conclusion of their session, by the "ladies of the Order of the Eastern Star," and also send a list of the officers elected and installed under charter.

Again with my thanks for the honor conferred, I am,

Yours in the Faith,

HARRISON DINGMAN,
Past Imperial Potentate.

KANSAS CITY, November 22, 1917.

CHARLES E. OVENSHIRE, *Imperial Potentate, A.A.O.N.M.S. of North America,*

Minneapolis, Minn.

Imperial and Dear Noble: I have the honor and pleasure to report that, acting under the authority of your appointment and commission, I did, on Friday, November 16, 1917, institute Tehama Temple of Hastings, Neb., in due and ample form, and set the same to work under the dispensation granted to it by the Imperial Council at the 1917 session.

I left Kansas City, Mo., Thursday, November 15, 1917, accompanied by Illustrious Noble Percy A. Budd, Potentate; Nobles T. H. Reynolds, Chief Rabban; F. H. Cromwell, High Priest, and F. C. Hoose, Oriental Guide, of Ararat. At Omaha our party was augmented by something more than one hundred Nobles of Tangier Temple, under the wing of Noble Henry Kruger, Chief Rabban and Acting Potentate; J. L. Combs, Assistant Rabban; Charles Black, Oriental Guide; Nobles James A. Howard, J. E. Simpson, and F. F. Whitcomb, Past Potentates.

The Tangier Drum Corps, under Capt. Frank Pond, and the Tangier Patrol, under Capt. Henry Rasmussen, were also in the party and acted as my escort on this occasion, for which courtesy I am deeply indebted to the Nobles and take this opportunity to express my appreciation.

At Lincoln we gathered in a goodly number of the Nobles of Sesostris, in charge of Nobles George R. Chatburn, Chief Rabban; M. H. Shepherd, Oriental Guide; Illustrious Nobles George C. Mason, Past Potentate and Acting Potentate, and C. W. Kraft and John Dorgan, Past Potentates, and we journeyed on to Hastings, where we were met by some four hundred Nobles and the officers of Tehama Temple and received in the warm clasp of friendly hands.

We were escorted to the Hotel Clarke, which was headquarters during our stay, and where we were most comfortably and pleasantly cared for.

At 2.30 P.M. the parade was organized and the slight rain that was falling could not dampen the ardor or discourage the spirit of the Nobles of the New Temple and their visitors. The parade was a splendid example of the strength and character of our splendid Order. Out on the plains of Nebraska, which Allah has blessed with His many bounties, He has also been thoughtful of man. This was evidenced by a class of one hundred and one novices and by some five hundred Nobles who paraded through the streets of Hastings, — all splendid examples of the varied manhood of our plains, bright, intelligent, healthy, and contented citizens, the kind that make up the bone and sinew of this land of ours and constitute an insurance that no despotism of mere might shall ever prevail in this world.

At the hall I installed the officers selected, and duly instituted the Temple, being assisted in the ceremony by Illustrious Noble Percy A. Budd as acting Imperial Marshal. The following Divan was installed: Nobles W. J. Rinderspacher, Illustrious Potentate; Lester B. Stiner, Chief Rabban; George W. Tibbets, Assistant Rabban; J. P. A. Black, High Priest; G. L. Hammond, Oriental Guide; Fred J. Schaufelberger, Treasurer; R. R. Damerell, Recorder; S. J. Stewart, First Ceremonial Master; J. J. Stanley, Second Ceremonial Master; Harry L. Proffitt, Director; Charles Gaston, Marshal; H. C. Haverly, Captain of the Guard; C. K. Lawson, Outer Guard. All these Nobles are representative men and real Shriners, and with Tehama Temple in their care it indeed looks out into the rosy future. After being installed the officers took charge of the work and a class of one hundred and one novices was introduced. The beautiful first section was presented letter perfect, and given as impressively as it has ever been my lot to hear. It showed the earnestness of the men of this Temple and argues well for its success.

The third section was given by the Nobles of Sesostris Temple of Lincoln, Neb., with Past Potentate George C. Mason as Acting Potentate. These Nobles did their work well, but as they are old hands, good work was to be expected from them.

At this point I was given an opportunity to say a few words of felicitation and congratulation which I could do in good grace and gladly, for there had not been a thing done that was not entitled to praise. I also conveyed to the Nobles your greeting and regrets that you could not be present at the institution of the Temple.

We then adjourned to the Hotel Clarke, where a delightful and splendidly prepared banquet was served to the Nobles. This banquet deserves as much praise as the other efforts of the Nobles of Tehama Temple, for I have seldom sat down to one more satisfying and enjoyable. The great number of Nobles present made it necessary to seat the party in two rooms, but each room had its toastmaster and speeches. Noble J. P. A. Black, High Priest, was the toastmaster of the division to which I was assigned, and a regular toastmaster he was. Happy talks rather than speeches were made by Illustrious Noble Percy A. Budd, Illustrious Noble John T. Dorgan, Noble T. H. Reynolds, and others, which added to the pleasure of the evening, and then Toastmaster Black sent us all away in a gale of laughter with a happy close.

The second section was staged in the Opera House and was well handled, with many amusing stunts that kept the novices interested and the Nobles well entertained. I was pleased to note that there was nothing attempted that in any way touched vulgarity.

At ten o'clock adjournment was taken to the hotel, where a buffet lunch was served, but as our train was about due, we of Ararat, finding the pace of the "quiet" little city of the plains almost too fast for us, silently we folded our tents and stole away, with many pleasant memories of a most delightful sojourn with Tehama Temple in the oasis of Hastings, Neb.

One pleasant souvenir of my visit is the Honorary Membership in this Temple, so graciously given to me by the Nobles. I prize it very much.

In closing my report I beg to thank you for the honor conferred upon me in being allowed to represent you on this most interesting occasion, and wish you continued success as Imperial Potentate.

Sincerely yours,

J. E. CHANDLER,
Imperial Marshal.

Mr. CHARLES E. OVENSHIRE, *Imperial Potentate, A.A.O.N.M.S. of North America,*

Minneapolis, Minn.

Imperial Sir and Noble: I have the pleasure to submit herewith my report as your deputy at the institution of Abou Saad Temple, Canal Zone, which occurred Friday, November 30th, at the Masonic Temple in Ancon.

I left New Orleans, after having been the recipient of that fraternal courtesy which our Order enjoins, at the hands of Potentate Charles Weinberger, of Jerusalem Temple, and Past Potentate Tom Gessner, of the same Temple, setting sail on the *Heredia*, United Fruit Company Line, at two o'clock on November 23d. On the boat I was met by Nobles Dr. L. D. Bates and J. E. Jacob, both formerly members of Osman, St. Paul, but now members of Abou Saad, who served as an escort to the Zone.

Fair weather the entire voyage through, but the grim face of war intruded itself on all sides, emphasizing the wisdom of the committee on institution in deciding that it would be better not to invite a large party to visit the Zone at that time. No lights were burned aboard ship after dinner was served, and even the masthead was devoid of the usual warning lantern to prevent collision. Signs on all sides bidding one beware of spies and strangers and inviting all to keep their business to themselves, emphasized the fact that war was a business that cast its gloom on all sides. There was none of the usual good fellowship on board, parties keeping strictly to themselves.

Arriving without mishap, the first to greet your representative was Chief Rabban-elect Gerald D. Bliss, postmaster of Christobal, the port of entry, who found it imperative to visit the ship before docking to inspect the incoming mail. On the wharf Potentate S. H. Marcuse, Recorder Fred H. Stephens, John Mitchell, collector of the port, J. Howard Gibbons, George F. Stuckert, Dr. H. A. Watts, E. Van Reid, and others — novices and Nobles.

The reception committee had arranged with the tarpon at the Gatun spillway to take care of the afternoon, and some sport was shown by Nobles Bliss and Gibbons, the latter being, by the way, a cousin of the Cardinal of that name, and a member of an old Pennsylvania Quaker family.

The evening was spent in an informal reception and rides about Colon, under guidance of Chief Rabban Bliss. On different days the visitor was escorted through the various fortifications, Noble Colonel Kephart, of Jaffa Temple, furnishing necessary passes, and being escorted by Brother Captain Eddy. A deep-sea fishing trip through the courtesy of Captain Noble Svennson, of Balboa port, who furnished his launch, and a party consisting of Nobles Dick Davies, Thos. H. Booze, general Y. M. C. A. secretary, James G. Holmes, Fred H. Stephens, and the guests, took in deep-sea fishing with a Spanish dinner served at Taboga Inn, after which the German internment camp was visited. On Thanksgiving evening your representative was the guest of Assistant Rabban Dr. and Mrs. W. M. James, at the University Club, for a turkey dinner.

Friday was spent in visiting various points of interest around the Zone, where barbed wire fences and guarding sentinels warned those away who lacked the proper credentials. Old Panama and Buena Vista beach were also visited in turn.

On Friday night the institution took place and the attendance was sufficient to tax the capacity of the largest room in the Temple. Martin B. Connolley, life member of Mecca, New York, acted as Chief Rabban, and the following filled the other offices: Chas. M. Elmore, Mecca, Assistant Rabban; George B. Carson, Murat, High Priest and Prophet; Arthur W. Conklin, Mecca, Oriental Guide; James G. Holmes, Morocco,

Treasurer; Joseph H. Helmar, Ziyara, Recorder; John A. Patheier, Sahara, Captain of the Guard; and Carl B. F. Olson, Osman, Outer Guard.

The Temple was duly instituted, the gavel turned over to the Potentate-elect, who requested the instituting officer to continue in the chair.

Petitions were read and balloted upon and the meeting adjourned, being followed by a humorous wake of the Panama Shriners' Club, which surrendered its existence on the institution of the Temple. After the wake, a Hooverized banquet and vaudeville show was given at the Century Club.

On Saturday morning your representative was taken to the lepers' camp, under escort of Potentate Marcuse and Secretary Booze, where Superintendent Parrott personally conducted the party through the establishments and explained the dire disease and its treatment.

At three o'clock in the afternoon the parade formed at the Masonic Temple. The mounted police came first, followed by the band and patrol, then the representative of the Imperial Potentate and Recorder Stephens, a float containing the Divan, next were Mutt and Jeff and the water wagon, the Jazz band, the Nobility, and then the novices, of whom there were fifty-seven.

The ceremonial was held on the dock at Balboa, the Oriental entry being well worth commendation even at the hands of much older organizations. Nature added largely to the effectiveness of the interior decorations in the hall, palm trees being cut to make a setting that was most attractive.

Your representative was presented with a beautiful tiger cat skin and was commissioned to bring a similar one to you, and only awaits fitting opportunity to make proper presentation.

The first section was given in the afternoon and adjournment had to the commissary cafeteria. That no misunderstanding may exist, let me state right here that the cafeteria banquet was all that the word implies, and would very justly be entitled to a much more pretentious name.

The second section went off with snap and vim and the climax of the work was most effectively portrayed.

The officers of Abou Saad are as follows: Samuel H. Marcuse, Potentate; Gerard D. Bliss, Chief Rabban; Wm. McC. James, Assistant Rabban; Louis M. Grasley, High Priest and Prophet; James E. Mansberger, Oriental Guide; Stanley R. Fors, Treasurer; Fred H. Stephens, Recorder; Thomas L. Keeler, First Ceremonial Master; Dinnis F. Reeder, Second Ceremonial Master; Henry C. Julien, Director; Lewis B. Bates, Marshal; Thomas M. Jordan, Captain of the Guard; Benjamin F. Hess, Outer Guard.

Continuous entertainment was provided for the following days, including visits to Miraflores locks, the city market, the lottery drawing, the cathedrals, the sea walls, fortifications, national prisons, insane asylums and dairy.

Noble Jacob entertained at his bungalow at dinner on Sunday, Nobles Bates and Brother Earhart being also guests, and on Sunday night the party left for the alligator grounds, composed of L. E. Grasley, James Mansberger, J. Howard Gibbons, Dick Davies and his big boy, L. E. Burdge, S. R. Ford, and D. J. Genac, left for Bayana River. About fourteen alligators paid toll and one skin was secured, which was properly boxed, marked "His Alligator," and delivered to me on board ship just as it was pulling out. Tuesday was devoted to local sightseeing and Wednesday to tarpon fishing at Gatun spillway, Nobles R. Huston, F. Heald, J. Howard Gibbons, S. E. Bell, E. T. Gilbert, and George Willets being the guardians.

A New Zealand hospital ship arrived in port on Wednesday and, after being delightfully entertained at a family dinner by Potentate Marcuse, I was taken in charge by Nobles Stephens and Bliss and taken to meet some of the returning wounded heroes. Their tales of the brutality of our German foe would make the blood boil and arouse a frenzied desire to be up and at them. Were it not for the manner of receiving the information, such brutalities would hardly be credited to human beings, and it would be to the eternal shame of America and Americans if they failed in any particular in joining in to give the needed correction to that host of arch fiends.

Thursday, December 6th, the boys gave a farewell dinner at the Strangers' Club at Colon, after which the boys escorted me to the dock and stayed until the ship cast off its moorings and the home trip was begun.

Nothing was lacking in thoughtfulness or courtesy to make the stay a pleasant one and the universal enthusiasm exhibited by all with whom I was brought in contact speaks for the wisdom of the Imperial Council in granting the dispensation. As an evidence of the energy of this party of Nobles it need only be mentioned that the site is already selected and secured for the building of a mosque as soon as a charter is issued.

Arriving in New Orleans, Potentate Charlie Weinberger again acted as gracious host and saw that the time between arrival and departure did not hang too heavily on hand.

Kindly accept my thanks for appointing me to act as your deputy on this occasion, the opportunity being one that I most fully appreciate.

Yours in the true Faith,

J. HARRY LEWIS.

JACKSONVILLE, FLA., February 20, 1918.

CHARLES E. OVENSHIRE, *Imperial Potentate, A.A.O.N.M.S. for N.A.*, Minneapolis, Minn.

Imperial Sir: Acting under your authority as special deputy to institute Egypt Temple at Tampa, Fla., I have the honor to report as follows:

On the morning of February 16th I arrived in Tampa, accompanied by such distinguished Nobles as Charles E. Ovenshire, Imperial Potentate; W. Freeland Kendrick, Imperial Chief Rabban; Ernest A. Cutts, Imperial High Priest and Prophet; David W. Crosland, Imperial Outer Guard; Robert L. Colding, Potentate Alee Temple; George M. Napier, Potentate Yaarab Temple; Clyde E. Cotton, Potentate Oasis Temple; Arthur Y. Milam, Potentate Morocco Temple; James D. Nelson, Potentate Omar Temple; Charles D. Symms, Past Potentate El Riad Temple; Robert S. Reinhardt, Past Potentate Oasis Temple; Henry O. Strohecker, Past Potentate Omar Temple; Fred M. Hutchinson, Past Potentate Zuhrah Temple; Walter S. Liddell, Past Potentate Oasis Temple. Also the bands and patrols of Morocco, Alee, and Yaarab Temples, and many Nobles and their ladies.

We were met at the station by the officers and many Nobles of Egypt Temple, who extended a hearty welcome and took us in automobiles to the Hillsboro Hotel, which was to be our headquarters. After breakfast many of the visiting Nobles and their ladies were taken for auto rides, visiting the famous Havana cigar factories, and other points of interest.

At 2.30 P.M. a grand street parade was held, comprising all of the bands and patrols and more than two thousand Nobles. Every one carried a large American flag, and all of the features were of a strictly patriotic nature. Thousands of people witnessed the parade, and the continuous rounds of applause evidenced the popularity of the Nobles and the Order in this section.

The parade terminated at Tampa Bay Casino, located in the beautiful tropical gardens surrounding the magnificent Tampa Bay Hotel. The architecture of these buildings is Moorish, and with the summer weather the surroundings were highly appropriate for the occasion.

After calling the Temple to order I proceeded, with the assistance of the Imperial Officers, to institute Egypt Temple and install the following officers: Illustrious Potentate, Harry B. Roberts; Chief Rabban, Fred E. Fletcher; Assistant Rabban, James McCants; High Priest and Prophet, Albert S. Thornton; Oriental Guide, B. Marion Reed; Treasurer, Riley J. McMasters; Recorder, Chas. M. Davis. The Illustrious Potentate then appointed the other officers. All the Imperial Officers present were made honorary members of Egypt Temple and presented with certificates, and as a token of love and esteem Imperial Potentate Chas. E. Ovenshire was presented with a beautiful platinum and diamond bar pin to be given to Mrs. Ovenshire. By unanimous vote $2,000 was appropriated for war work and local charity as follows: $500 American Red Cross; $500 Y. M. C. A. War Fund; $500 Salvation Army War Fund; and $500 to the Tampa Children's Home.

Following a grand patriotic tableau and demonstration the Temple proceeded to confer the order on a class of one hundred and seventy-five novices. The first section was put on in a most elaborate manner entirely by the officers and members of the new Temple. A recess was taken for refreshments, after which the second section of the work was conferred, terminating about ten o'clock.

During the evening more than three hundred visiting ladies were entertained with a dinner and dance in the Tampa Bay Hotel, where they were afterwards joined by the Nobles. Special cars being in waiting, everybody was taken to Ybor City, the Spanish section of Tampa, where at the Centro Asturanio and American Clubs refreshments, vaudeville, and dancing were enjoyed until the small hours of the morning.

On Sunday afternoon, in Plant Field, before an audience of more than six thousand people, the bands of Morocco, Alee, and Yaarab Temples rendered a concert, and the patrol of Yaarab Temple gave a fine exhibition drill. The festivities concluded with patriotic addresses by Illustrious Noble W. Freeland Kendrick and Judge James H. Moyle, Assistant Secretary of the United States Treasury.

In conclusion I will say that this was one of the largest and most interesting Shrine sessions ever held in the South. Among the more than two thousand Nobles in attendance there were represented one hundred and fifteen Temples of North America. The elaborate entertainment and delightful hospitality elicited the highest praise from all who attended. The officers, members, and ladies of Egypt Temple deserve great credit, and I do not see how any Temple could start out under more propitious circumstances.

I wish to express to you my deep appreciation of the honor which you conferred upon me by being appointed your special deputy on this occasion, and for the great pleasure it afforded me to serve you in that capacity.

Sincerely yours in the Faith,

T. G. HUTCHINSON.

INDIANAPOLIS, IND., December 17, 1917.

CHARLES E. OVENSHIRE, *Imperial Potentate,*
Minneapolis, Minn.

Imperial and dear Noble: In compliance with your request I visited Yaarab Temple at Atlanta, Ga., as your special deputy, on December 13, 1917. Because of the heavy snows and disagreeable weather, my train, which was due there at 11.40 A.M., was six hours late and I telegraphed the Illustrious Potentate, requesting him not to meet me at the train, as I would not arrive until nearly the time of the ceremonial. Regardless of my telegram, I was met at the train by Noble Walter P. Andrews, Illustrious Potentate, and very cordially received. I was at once taken to the Piedmount Hotel, where I was very agreeably surprised to find in waiting the following Nobles: David W. Crosland, Imperial Outer Guard and Potentate of Alcazar Temple; Walter S. Liddell, Emeritus Member of the Imperial Council and Past Potentate of Oasis Temple; Walter G. Gardner, Chief Rabban of Midian Temple; Al R. Smith, Director of Moslem Temple; Ollie Humphreys, Recorder of Alcazar Temple; Past Potentates Forrest Adair and John A. Hynds, of Yaarab Temple; Hon. John Bale, H. R. Romans, Albert L. Dunn, David W. Webb, Charles Bowman, Sherrard Kennedy, B. H. Goodhart, Tom Wallace, Len Baldwin, and many others. My reception at the hotel was promptly followed by an elaborate dinner served to twenty-five guests in a private dining room.

Following the dinner all the members of the party were conveyed to the Great Auditorium, where a large representation of the Nobility of Yaarab and sister Temples was assembled. The Temple's all-Shrine band, a splendid organization, was just concluding the concert of one hour upon our arrival. Owing to the lateness of the hour of our arrival at the Auditorium the Illustrious Potentate and his Divan had already made their entry, but I was in time to witness a very effective and unique presentation of the Illustrious Potentate and the Divan who had assembled behind the drop curtain. Upon raising the curtain a splendid Oriental scene was presented, revealing the Divan and attendants, with the exception of the Illustrious Potentate, upon a well-elevated throne, the ascent to which was by a series of steps and landings, appropriately decorated. An immense American flag hung from the middle of the stage which, when drawn aside, revealed to the audience the Illustrious Potentate and his entire Divan under a strong spotlight, showing one of the most beautiful Oriental settings which I have ever witnessed.

Yaarab's band, chanters, and patrol, in open ranks, lined the entire way from the main entrance to the stage. The visitors were received in the proper order and some of them, including Noble Crosland, addressed the Nobility. After their reception I, as your deputy, was conducted through the lines by Past Potentate John A. Hynds. The chanters, band, and patrol closed the lines behind me and formed a crescent across the entire front of the stage, when I was introduced to the Illustrious Potentate who, in turn, in a very friendly and happy style, introduced me to the audience, which I then had the pleasure of addressing on your behalf, extending to the Nobility your regrets that former engagements prevented your being present and extending to them your good wishes. My remarks were given that courteous attention due to your office and were very cordially received.

The ceremonial was conducted exceptionally well. The Illustrious Potentate and every officer of his Divan rendered the ritual literally correct, and in a dignified and most effective manner, to a class of one hundred and thirteen novices. The second section of the work, under the direction of Noble Goodhart, was exceedingly entertaining, and it, as well as every feature of the ceremonial, was above any possible criticism.

Following the ceremonial the spacious banquet hall was thrown open to about two thousand Nobles who had, with much enthusiasm, enjoyed the ceremonial. In fact the crowd was so great that several hundred people could not be seated at the banquet.

The Potentate and members of his Divan were kind enough to conduct me, as your representative, about the banquet hall and introduced me to many of the Nobility, this in lieu of a more formal reception which had been planned to precede the ceremonial. It was now past the midnight hour and I was not permitted to participate in this general banquet, but was conveyed to the hotel, where the visitors above mentioned and others to the number of thirty were served with a banquet in courses.

Late the following day, after a most delightful entertainment, I was escorted to the train by the Potentate and others, with Noble Smith, of Moslem Temple, who accompanied me to Cincinnati.

It was a pleasure to learn, through a number of the Nobles at Atlanta, that Yaarab Temple has made very large increases in membership and has been very active along all fraternal lines during the incumbency of Illustrious Potentate Andrews. Much enthusiasm and general good feeling was manifested by the Nobility at the ceremonial and all seemed awake to the fraternal needs and enthusiastic in loyal support of our country. There are many members of Yaarab Temple already in the military and naval service and the Temple is taking effective measures to look after their interests and those of their dependents.

The honor of representing you as your special deputy and the very great pleasures I so much enjoyed in Atlanta outweigh all expenditures incurred, and therefore I gladly refrain from sending you an account of my expenditures.

Thanking you for the honor of representing you, and with my personal regards and good wishes, I remain as always,

Yours in the Faith,

ELIAS J. JACOBY,
Imperial Deputy Potentate.

CHICAGO, ILL., December 29, 1917.

Mr. CHARLES E. OVENSHIRE, *Imperial Potentate,*
Minneapolis, Minn.

My dear Imperial Sir: Pursuant to your instructions of December 20th, I visited Tebala Temple December 27th and investigated a special meeting supposed to have been held on December 5th, found from their records the meeting was held November 28th and was a regular meeting date under their old by-laws, new ones changing date not having been received, so no dispensation was asked for to hold this regular meeting. Did not look up who was initiated, or investigate any further than reading the records. At 5 P.M. the Temple was opened December 27th, by their regular officers, when I assumed the chair and conducted the election of officers for the ensuing year, which, as the report of the Recorder will show, was most satisfactory to the best interests of Tebala Temple and the Shrine in general.

In regard to the Trustees: The charter of August, 1912, from the State of Illinois for the association provided for five trustees to serve for five, four, three, two, and one year and since that time there has been no election of trustees by the Board of Directors or the Temple, same trustees held over, five years having elapsed, August, 1917. I decided that there were no trustees, and under their new by-laws, just approved by you and adopted

by the Temple in November, 1916, there should be an election for five new trustees to hold office for five, four, three, two, and one year, and same were duly elected, after which I installed the officers-elect for the ensuing year and thus closed a most pleasant, satisfactory, and harmonious meeting.

Thanking you for the confidence reposed, and holding myself yours always to command, I remain,

Yours in the Faith,

FRANK C. ROUNDY.

P.S. Copy of by-laws was returned to the Recorder.

ROCKFORD, Ill., December 27, 1917.

Mr. FRANK C. ROUNDY,
Chicago, Ill.

Illustrious Noble: I herewith inclose report of election of officers for the year, 1918.

Yours in the Faith,

F. L. EBY,
Recorder.

December 31, 1917.

FRANK C. ROUNDY,
111 South Clark St., Chicago, Ill.

My dear Frank: I am in receipt of your report of December 29th covering your visitation to Tebala Temple, Rockford, Ill., on December 27th, and delighted to know that everything passed off harmoniously, and I hope everybody is now satisfied.

Your action in regard to the trustees is entirely satisfactory. I am enclosing check covering your expenses and want to thank you sincerely for taking charge of this matter, and the fact that largely through your influence everything passed off according to the law and with harmony prevailing.

With all good wishes to you and yours for a happy, healthy, and prosperous New Year, I am,

Sincerely yours in the Faith,

CHARLES E. OVENSHIRE.
Imperial Potentate.

Past Potentate Williams presided in a very able manner and the addresses of both Dr. Lissman and Dr. Wright, D.D., were very eloquent and given in a very impressive manner. The music was excellent and the singing grand, especially the duet and trio. The number "As Allah Wills" was very creditably performed by Illustrious Recorder Donnatin. The names of the departed Nobles since March, 1917, were one by one flashed on the screen in the center of a scroll and read by the Recorder. At the conclusion, the picture of Noble Saram R. Ellison, Past Recorder of Mecca Temple, appeared on the screen.

Potentate Heizer, Past Potentate Dexter, and myself were so impressed with the service, that we are making arrangements to have a like service at our own Temple in the near future. At the conclusion of my address I spoke a few words in memory of Noble Saram R. Ellison, Recorder of Mecca Temple for twenty-six years, who passed on to the Unseen Land on March 25, 1918.

In conclusion, please accept my sincere thanks for the honor conferred upon me and for the pleasure it afforded me to be at this service and to meet the good Nobles of Mecca Temple.

Sincerely yours in the Faith,

CLARENCE M. DUNBAR,
Special Deputy Imperial Potentate.

VISITATIONS

Conservation being the order of the day, and having in mind the high cost of print paper and printing, and having the opinion of several of the Imperial Divan who agree with me, I have decided not to follow precedent, will omit details and simply list my visitations as made.

I have visited sixty-one Temples, have traveled forty-three thousand miles, have been very cordially received, and in every instance have been accorded every courtesy, attention, and hospitality, and have received many beautiful souvenirs, each of which has been accepted in the same loving and kindly spirit in which they were given.

Mrs. Ovenshire has accompanied me on many of my visitations, and everywhere the ladies have vied with one another in their welcome and hospitality.

My Secretary, Noble Hutchinson, has made nearly all visitations with me, and he too has been the recipient of many courtesies.

I have had many invitations which I have been unable to accept, not being able to arrange satisfactory dates.

Several of the Imperial Divan have joined me at various times, which has always been a great pleasure to me.

The pleasure and satisfaction of meeting old friends and more closely cementing old friendships, and making many new ones which bid fair to last for life, has given me untold happiness.

In short, the year of my administration, although filled with many perplexities, for which the war was mainly responsible, has been the most remarkable and pleasing one of my life.

I wish to return my sincere thanks to every Temple visited for their courtesies and hospitality, and feel sure that equal courtesy and hospitality would have been accorded me by those Temples which I was unable to visit.

PROPOSED AMENDMENT TO LAWS WITHDRAWN

THE MASONIC WAR RELIEF ASSOCIATION, U.S.A.

Past Imperial Potentate Wm. B. Melish presented the following appeal of the Masonic War Relief Association of the United States:

APPEAL

To the Imperial Council, N. M. S. of North America. Greeting:

The Masonic War Relief Association of the United States of America, with executive offices at Cincinnati, Ohio, in charge of William B. Melish as chairman of its Executive Committee, was organized in November, 1914, at the commencement of the War in Europe, for the purpose of affording relief to Freemasons in Europe, their wives and widows, their children and orphans, and others dependent upon them who are or may be sufferers from the war in Europe. This Association has as its second Vice President, Past Imperial Potentate Frederick R. Smith, who represents the Ancient Arabic Order of Nobles of the Mystic Shrine of North America in the counsel and in the conduct of the work of the Masonic War Relief Association. This Association during 1915 and 1917 received contributions from many of the Temples of the Shrine, but nothing has been donated by the Imperial Council itself. It asks that its claims for assistance in carrying on the work of relief among the Masons of Europe in the countries allied with the United States be presented to the Imperial Council by Past Imperial Potentate William B. Melish, and that this appeal for help be heard by said Imperial Council.

Fraternally submitted,

THE MASONIC WAR RELIEF ASSOCIATION OF THE UNITED STATES OF AMERICA.

FREDERICK R. SMITH, *Vice President.*

WM. B. MELISH, *Chairman Executive Committee.*

JURISDICTION OF YELDUZ AND EL RIAD TEMPLES

Noble Walter J. Jacobs, of Yelduz Temple, offered the following resolution, which was referred to the Committee on Jurisprudence and Laws:

To the Imperial Potentate, Officers, and Members of the Imperial Council, A.A.O.N.M.S., Greeting:

WHEREAS, the lines of jurisdiction as they now exist in the State of South Dakota have come to result in great inconvenience to the Nobility of South Dakota and are so drawn that unnecessary time is required of, and unusual distances of travel imposed upon a large number eligible to membership; El Riad Temple and Yelduz Temple, through their representatives, petition the Imperial Council to fix the jurisdiction of the Temples in South Dakota as follows:

El Riad Temple shall have exclusive jurisdiction in the county of Minnehaha, in which it is located.

Yelduz Temple shall have exclusive jurisdiction in the county of Brown, in which it is located.

Naja Temple shall have exclusive jurisdiction in the county of Lawrence, in which it is located, and shall also have exclusive jurisdiction in the counties of Harding, Butte, Meade, Pennington, Custer, Fall River, Washington, Shannon, Washabaugh, and Bennett.

El Riad, Yelduz, and Naja Temples shall have concurrent jurisdiction in all other counties in the State of South Dakota.

Respectfully submitted,

Past Imperial Potentate William B. Melish, of Cincinnati, then read the following after the acceptance of Noble William S. Brown:

For the job of Treasurer how could I refuse,
Even if the many friends I have do me abuse,
And charge up to me numerous a skit,
When I am only trying to do my bit,
And scatter some sunshine among the boys,
Maybe increasing some of their joys?

So I accept the job, as Melish has said,
And will jolly the boys until I am dead;
And when the time comes and they all have left,
And Uncle Bill's here all alone by himself,
Then I'll give up the job before they say "Quit,"
And join the Old Gang, after doing my bit. B. B.

REPORT OF THE COMMITTEE ON NECROLOGY

To the Imperial Potentate and Representatives to the Imperial Council of 1918.

Your Committee on Necrology respectfully ask your kindly attention to its report, as follows:

The custom, which now has become a tradition among us, of staying for a little while the business which calls us together, in order that we may recall our illustrious dead, grows more beautiful each year as the chain of friendship, which is the enduring symbol of the Shrine, grows bigger and stronger. As Masons we are taught from our first entrance upon this great Fraternity that the mystic tie which binds us together is indissoluble. And in the Shrine, where so much of Masonry finds its finest and sweetest flower, that lesson comes to its fullest perfection.

In keeping with that custom we are wont to dwell for a moment on some aspect of the truth concerning human life which the great and fundamental tenet of Immortality, one of the very corner stones of Masonry, makes known to us, and then out of the large number which the several Temples of our Order have "loved and lost awhile," to select a few names of those worthy of especial mention by reason of the fact that in their lives they so beautifully exemplified that which makes the Shrine so pre-eminently worth while, as well as the further reason of their sometime connection with the life and work of the Imperial Council.

Today we shall venture to reverse this order, for reasons which we trust will become obvious further on in this report. From the names sent to the committee we have chosen the following:

THOMAS JACOB SHRYOCK,
Died February 3, 1918.

A member of Boumi Temple, and an Honorary Member of this Imperial Council. Born in Baltimore on February 27, 1851, he was devoted throughout his active life, not only to the affairs of his private business, in which he attained a well-earned success, but also to public affairs in which he held various positions of trust and honor. Amid all these activities his devotion to Masonry in all its degrees was a marked characteristic of his life.

The several high offices which he held in both York and Scottish Rites are a witness to the esteem in which he was held by his brethren. Grand Treasurer and Grand High Priest of the Grand Chapter of Maryland, as well as Grand Commander, he was also Sovereign Grand Inspector General of the Ancient and Accepted Scottish Rite. For all he was, as well as for all he did, he deserves a place of lasting remembrance among us.

CHARLES FRANCIS BUCK
Born November 5, 1841, died January 19, 1918.

He was a member of Jerusalem Temple and for six years its Illustrious Potentate. His early life was one of struggle and hardship, but through the overcoming of difficulties he won the strong and earnest character which was the crown of his later years. A lawyer by profession, his skill and attainments marked him for public preferment, and he served for one term in the Congress of the United States. His devotion to Masonry, evidenced by the fact that he held the office of Grand Master of Masons of Louisiana for six years, Grand Commander for two years, and that he was an active member of the Supreme Council of the Ancient and Accepted Scottish Rite, in which body he held the office of Grand Minister of State at the time of his death. He was sometime a member of the Imperial Council and served as a member of its Committee on Jurisprudence and Laws. A leader among men, a citizen loyal and trusted, a Mason esteemed and beloved by his brethren, well may this be his epitaph:

Were a star quenched on high,
For ages would its light,
Still traveling downward from the sky
Shine on our mortal sight.
So when a good man dies,
For years beyond our ken
The light he leaves behind him lies
Upon the paths of men.

HENRY D. MAYNE, M.D.
Died November 17, 1917.

He was a member of Karnak Temple, in which he served as Illustrious Potentate as well as Representative to the Imperial Council. Gifted with a strong mentality, he was a man of positive convictions and tenacious for the right as he conceived the right, but at the same time he was a man whose strong and winning personality so impressed itself upon his fellow men, by his many kindly deeds, as to win from them their love and abiding affection. His memory will be held most dear by all who knew and loved him.

Gizeh Temple mourns the loss of two eminent Nobles whose names, because of the position they attained in public life, the strong and the splendid work they accomplished in public service, together with the many traits of personal character which caused them to be honored among all who knew them, deserve a special place in our permanent archives.

Sir HARLAN CAREY BREWSTER, Premier of the Province of British Columbia, died March 1, 1918.

Sir RICHARD MCBRIDE, Premier of the Province of British Columbia for fourteen years, died July, 1917. A man of strong personality, devoted to every cause which he understood, and well beloved of all who knew him, he was a typical Shriner.

SARAM R. ELLISON, M.D.
Died March 25, 1918.

He was a member of Mecca Temple for thirty-three years, its devoted and faithful Recorder for twenty-five years, and had he been spared to attend this session of the Imperial Council he would have completed the full cycle of twenty-one years as representative, which would have made him eligible to Emeritus Membership, an honor which he coveted with eager longing and which would have been granted to him with equal pleasure and delight.

Born in 1852, he was graduated from McGill University of Canada and entered upon his life work, which was the practice of medicine. It goes without saying that he brought credit and honor to his profession, not alone by his skill, but also by his readiness to respond gladly and willingly to every call of need "without money and without price."

But if medicine was his profession, the Shrine was his hobby. It has been said of him that "he lived for Mecca Temple." In his work as Recorder he established a model which will continue to be followed throughout the Order. In addition to the routine duties of the office, and as a simple labor of love, he undertook the preservation of the records of his Temple and of the establishment of the Order, and wherever the history of the Order shall run, the name of Dr. Ellison will ever be closely associated with it. Known and beloved of every member of Mecca, he was equally well known and well beloved in the Imperial Council, of which through these many years he has been a conspicuous and in some respect a unique member. Absolutely fearless and frank, he never quailed before opposition and he never failed to hold the respect and admiration of his opponents by reason of the just manner of his dealing. We venture to say that of those who have been called from us in recent years no one is more genuinely missed today than "Doc" Ellison. He rests from his labors but his works follow him—follow him yonder where no good deed done here ever fails of its eternal reward; follow him here among men where his example of faithfulness and devotion shall be a continuous inspiration to all who knew and honored and loved him.

To these names we might easily add many more, for there is scarcely a Temple in all our Order which has not through the year lost for awhile one or more who have bound as with hands of steel their heart to the heart of their fellow men. While we may not trespass too long on your time and patience to mention them here today, they are remembered and will continue to be remembered, each in his own circle and place.

But while we are recalling here today with all the joy of remembrance the names of those who have passed from these Temples made with hands to the Unseen Temple which abideth forever, and while the recollection of

all they were and all they did gives us a stronger grip on the hope of Immortality, we venture to think that in all our minds and hearts today there is another thought which is seeking expression.

In the days through which we are now living practically everything we think, or say, or do, has for its background the War in which we have been called to take our place and bear our part. The reason thereof is obvious. This war, as it has been repeatedly pointed out, is not merely a war of peoples against peoples, or of nation against nation. It goes far deeper than this, and in its final analysis it is the struggle between great world principles, the clash of great ideals of human living, and as such it is sharply dividing the soul and conscience of the world.

While it is doubtless true that what we have known of the frightfulness of the conflict — plans laid, plots conceived, and deeds done which stagger the human mind, — has been quite enough to make the world seem upside down and to cause the hearts of many to fail for fear, — nevertheless we who have heard and can again listen to the calm voice of Masonry, as it sounds out above the clash and crash of tottering empires, may still hold fast in the firm conviction of the final triumph of the right and the firmer establishment of human freedom. Through it all, slowly and patiently the Supreme Architect of the Universe is working out His great Design and Plan. There has always been a price to pay for human freedom and civilization. Every step in human progress has had to be gained at the cost of struggle and sacrifice. And if the world today is having to pay the biggest price it has ever had to pay for something, that something, we may be well assured, will be the biggest and best the world has ever known, and will ultimately be seen to be worth all it has cost.

It is this conviction, perhaps oftener felt than expressed, which today is recalling the thoughts of true men everywhere to the deeper realities of human life, with all its capabilities and capacities, re-emphasizing the greater value of the things not seen and eternal, above that of the things seen and temporal, and reawakening a larger and a truer loyalty to the things worth while.

Nobles! Is it too much for us to say that among the many and various outward and visible signs of this strong and earnest conviction there is none more splendid, none more expressive than the service flags which we see displayed in all the Temples of our Order, bearing the stars which tell of our brethren who are giving their all to make this dream come true? It is a symbol which well becomes the Shrine, for of all the evidences of the Nobility which it claims, there is none greater than the splendid loyalty to all that is good and beautiful and true, which is its constant pledge. We have scarcely begun to realize it yet, but it will not be long before we must realize that those stars tell of some, perhaps many, who have made the supreme sacrifice, and have laid down their lives that freedom may live. Then will be brought home to us, as it has been brought home to many "over there," the challenge of Immortality.

We shall refuse to believe, just as they have refused to believe, that all this splendid heroism, this noble courage shown through faithfulness, even

unto death, represents only so much waste and wreckage on the shores of time.

It is indeed remarkable how out of all the welter and waste of this terrible war there come again and again by-products of whose existence we were altogether unaware, until suddenly they came. Among these by-products there is none more certain, none more challenging than the new attitude toward death, — seen first among those who have been so ready and willing to face it when the call came, but seen also among those near and dear to them who have been left to "carry on," after they have gone. One has recently written, and indeed truly, that "for the first time in history immortality has become a practical issue for the common man to face." Of the boys "over there" we read that they meet death with all its accompanying horrors, with a confidence and assurance that it is not the end-all which finds its best expression in their soldier slang. "Going west," they call it, and so calling it what a splendid conviction of free adventure and thrilling experience they put into it. One of the finest things written of Columbus was written by a Spanish biographer who said of him that he had within him the instinct of an unknown continent.

So those who face to face with death call it "going west" endow it with all the romance of world history which continues so long as one land remains undiscovered and one sea unploughed.

And as for their utter disregard of the old physical body which is left behind when that which is immortal fares forth on its eternal quest, what finer expression could there be than this from the mind and soul of Rupert Brooke, who himself a little later made the supreme sacrifice?

> "If I should die, think only this of me,
> That there is some corner of a foreign field
> That is forever England. There shall be
> In that rich earth a richer dust concealed;
> A dust whom England bore, shaped, made aware,
> Gave once her flowers to love, her ways to roam,
> A body of England's breathing English air,
> Washed by the rivers, blest by suns of home."

With the example of such loyalty, such courage, such idealism, we cannot wonder that among those whom they have left behind there has been a putting away of the old grief which stifles hope and benumbs all the active powers of life, and a putting on of a new courage and a stronger determination to carry on to a finish that which they have begun, and then, on the ruins of the old war-devastated world, to build anew the structure of a more beautiful and more permanent civilization.

On the threshold of a like experience we of this nation stand today, for upon us has been laid a share in the high task of defending the principles of justice and liberty through which the world shall be made safe for Democracy, that Democracy which is the very life of Masonry which we love and cherish. Already our boys so dear to us, in increasing numbers, are going over there. We have every confidence in them that they will do their duty manfully and well, and that they will bravely choose death rather than the coward's part. In the light of this confidence we shall need a

newer and a truer symbolism than that of the black camel with its message of a black fate leading away into blacker oblivion. Perchance the golden stars which shall take the place of those now upon our service flags will speak to us of another brighter, freer, happier land beyond, whose gleaming mountains of glad adventure and bright valleys of alluring exploration will beckon us as they have beckoned them. Whatever else may be, this one thing is sure, we shall steadfastly refuse to permit ourselves to be robbed of the confident hope — nay, more, assurance — that somewhere in God's great universe they still are, and under the guidance of the Supreme Architect still work together with Him in the carrying on and carrying out of His all-wise designs. Moreover, in the strength of that assurance, we shall with greater determination, keener earnestness, and truer devotion, grasp anew our working tools and use them to the end that neither their lives nor ours shall have been in vain.

No thinking man — and by a stronger reason, no thinking Mason — can long escape the conviction that out of all this mighty world upheaval there shall emerge at length a new world, new economically, socially, politically, and every otherwise, and a new day wherein Democracy shall be made safe for the world, when the world has been made safe for Democracy.

Never in all of human history was there a stronger, clearer call for loyalty to the old realities of life and the new hopes and ideals based upon them. Let it be our part, as it is our privilege, to answer that call, each in his own place and way.

No easy hopes or lies
Shall bring us to our goal,
But iron sacrifice
Of body, will, and soul.
There is one task for all
For each our life to give.
Who stands if freedom fall?
Who dies if freedom live?

REPORT OF THE COMMITTEE ON TRANSACTIONS OF IMPERIAL OFFICERS

ATLANTIC CITY, N. J., June 5, 1918.

To the Imperial Council, A.A.O.N.M.S. for North America:

Your Committee on Transactions of Imperial Officers has carefully reviewed and considered the able address of the Imperial Potentate, and now reports thereon as follows:

DISTRIBUTION

We recommend that the portion referring to our departed Nobles be referred to the Committee on Necrology; that matters relating to dispensations and charters be referred to the Committee on Dispensations and Charters; that all matters concerning revenue, expenditures, appropriations, and bonds, together with the reports of the Imperial Treasurer and Imperial Recorder, be referred to the Committee on Finance and Accounts; and that all matters dealing with official decisions, edicts, and orders, and all recommendations involving amendments or corrections of our laws and code, be referred to the Committee on Jurisprudence and Laws.

We would speak in warmest commendation and praise of the zealous devotion of our Imperial Potentate to the discharge of the onerous duties of his high office; of his unstinted sacrifice of time, self-interest, and comfort in the faithful performance of the work assigned to him by virtue of his position and the visitations to sixty-one Temples; and of his courteous yet decisive and impartial handling of the difficult matters which have come before him for decision and action; all of which, together with his charming personality, have deservedly gained for him the sincere esteem and genuine affection of all who have come within the radius of his genial influence.

We note with gratification the generous contributions made by various Temples to the different war activities promoted in support of our government and for the benefit of our soldiers, and that this Order is represented in the national service by a commendable number of our Nobles; and we join with our Imperial Potentate in sincere appreciation of the war work being done by the ladies of our members' families. We share to the fullest degree the splendid sentiments touching loyal citizenship enunciated by our Imperial Potentate, and especially his well-deserved tribute to the magnificent courage and services of our Canadian brothers.

The prompt action of the Imperial Potentate in expressing sympathy and extending substantial aid on the occurrence of the distressing Halifax disaster was an exemplification of the true principles of our Order, and merits our hearty commendation.

The various recommendations made by the Imperial Potentate give evidence of his serious and thoughtful study of the conditions affecting and the needs of our Order, its vital interests and its members, and should all receive the earnest consideration of this Imperial Council and its committees.

We believe that there is a general feeling on the part of studious Nobles, and those having charge of the practical and operative features of our ceremonials, that the time has come when a revision of the ritual is in order, if not urgently demanded; and we heartily concur in the proposition for the appointment of a committee of five for that purpose and so recommend.

We approve the suggestion of the Imperial Potentate for the appointment of a committee of five to consider and report to the next session of the

Imperial Council as to the advisability of a revision of existing jurisdictional lines, and recommend its adoption.

The wonderful growth of the Order, now approximately 275,000 in membership, and its splendid financial condition, are matters for congratulation, and must afford pleasure and satisfaction to those who reflect upon the increasing influence for good which such conditions afford; and we cordially endorse our Imperial Potentate's pronouncement, that "the future watchword should essentially be quality rather than quantity."

On behalf of the entire Nobility we congratulate and thank our Imperial Potentate for the splendid achievements of his year of administration, and extend to him our and their truest wishes for his future happiness and continued usefulness.

Fraternally submitted,

The following resolution was presented by Noble George M. Napier and others, which was referred to the Committee on Jurisprudence and Laws:

Resolved further, that a commission of five members of the Imperial Council be named by the Imperial Potentate, whose duty it shall be to determine upon the benefaction and to select the method for the expenditure of said fund, and to supervise its application to the purposes so decided upon.

FIRST REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

To the Imperial Council, A.A.O.N.M.S.:

Your Committee on Jurisprudence and Laws offers the following resolution:

Resolved, that the Standing Resolution as printed on page 33 of the Statutes of this Imperial Council for the year 1917 be canceled, as the whole is now and has been superseded by Article IV, Section 2, of the Constitution and Article XV of the Code, and that hereafter no resolution which has the effect of a statute be printed in the "Constitution and By-laws" of the Imperial Council except as a statute.

Respectfully submitted,

PHILIP D. GORDON.
A. B. MCGAFFEY.
JNO. N. SEBRELL, Jr.
HENRY F. NIEDRINGHAUS.
CARLETON E. HOADLEY.

On motion the report was accepted and the recommendation adopted.

SECOND REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

To the Imperial Potentate and Representatives of the Imperial Council, A.A.O.N.M.S.:

Your Committee on Jurisprudence and Laws beg to report they have examined the amendment to Article X of the By-laws offered at the last session of this Imperial Council by Noble Percy A. Budd, of Ararat Temple, reading as follows:

"To amend Article X of the By-laws by repealing said article and enacting a new article thereof to read as follows:

ARTICLE X, SECTION 1. The Order of the Nobles of the Mystic Shrine shall not be conferred upon any one for a less sum than fifty (50) dollars. Provided, Temples may increase the amount if desired.

SECTION 2. In each Temple of the Order the annual dues shall not be less than five (5) dollars, to be paid by all members of the Temple, excepting life members, honorary members, or members whose dues have been remitted for good cause by that Temple. Provided, that Temple may issue life membership upon such conditions as the Temple may require. Provided further, that before the Recorder of any Temple shall issue the annual card to a Noble he shall be furnished a certificate or receipt showing that such Noble is in good standing in all his Masonic bodies.

Respectfully submitted,

PERCY A. BUDD,
Ararat Temple."

Article X as it now stands clearly designates who shall and shall not pay dues. The Imperial Council does not legislate regarding life membership in Temples, but leaves that to the Temples themselves to be taken

care of in their by-laws, and the clause requiring every Noble to furnish to the Recorder a certificate showing he is in good standing in all his Masonic bodies before issuing his annual card not being feasible, we recommend the amendment be NOT adopted.

Respectfully submitted,

PHILIP D. GORDON.
A. B. MCGAFFEY.
JNO. N. SEBRELL, JR.
HENRY F. NIEDRINGHAUS.
CARLETON E. HOADLEY.

The report of the committee was accepted and the recommendations therein contained adopted.

It is to the credit of the various Temples submitting by-laws for approval that all but five have been approved by this committee without change, and in the case of these five the changes made were minor ones in order to have them comply with the statutes of the Imperial Council. No by-laws were rejected in full.

In addition to the list given the following have been held over, pending Certificate of Approval by their Temples, as required by the statutes, or received too late to be dealt with before this session of the Imperial Council:

Elf Khurafeh Temple
Abou Ben Adhem Temple
Sudan Temple

These three are now in the hands of the chairman of this committee.

Provisional by-laws were received from Abou Saad Temple, of the Canal Zone, and Egypt Temple, of Tampa, Florida, but as both these Temples were under dispensation only, it was considered best their by-laws should not be dealt with until such time as charters were granted to them.

We now recommend that the by-laws submitted by the Temples named in this report that have been approved by this committee, with or without changes, and confirmed by the Imperial Potentate, as required by the statutes, be approved by this Imperial Council.

Respectfully submitted,

PHILIP D. GORDON.
A. B. MCGAFFEY.

Noble W. Freeland Kendrick announced that $1,002.58 had been contributed by members of the Order and others for the relief of the survivors and stranded sailors and passengers of the steamer *Carolina*, and requested that the Mayor of Atlantic City be requested to accept the same for their relief, and called to the platform Noble Harry Bacharach, Mayor of Atlantic City. Noble Bacharach addressed the Imperial Council and accepted the donation in a patriotic speech which received the applause of all present.

FOURTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

To the Imperial Council, A.A.O.N.M.S.:

Your Committee on Jurisprudence and Laws recommend the following changes in the Constitution, By-laws, and Code of this Imperial Council.

Article V, Constitution:

Eliminate Section 6, and replace with what is now Article VIII of the By-laws.

Article X, Section 1, Constitution:

Cancel the third and fourth paragraphs and substitute the following:

"No Temple shall initiate or obligate a candidate except at a regular or ceremonial session unless a special dispensation therefor is granted by the Imperial Potentate. Application for such special dispensation must be made at least seven clear days before it is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuing thereof. Penalty for the violation of this article shall be the suspension of the charter of the Temple so offending until the next session of the Imperial Council.

"To receive and ballot upon petitions at a *special meeting* due and timely notice shall be given to the members of the Temple of the proposed election of the candidates."

Article II, Section 2, By-laws.

After the word "Constitution" in the second line add the words "*By-laws and Code.*" The section will then read as follows:

"SECTION 2. At every session all questions shall be determined by a majority of votes (except alterations to the Constitution, By-laws, and Code, as therein provided), the presiding officer not being entitled to a vote except in case the vote is equally divided, when he shall have the deciding vote."

Article V, Section 7, By-laws.

After the word "officers" in the second line add the words "*of the Imperial Council,*" so that the section would read as follows:

"SECTION 7. The Imperial Recorder is authorized to furnish the first six elective officers of the Imperial Council with Rituals, the same to be receipted and returned with the jewel of office each year at the annual session of the Imperial Council."

That Articles V and VI of the By-laws relating to the "Duties of the Imperial Recorder" and "Imperial Treasurer" respectively be taken from the By-laws and made Articles VIII and IX of the Constitution and the remaining articles in both the Constitution and By-laws be renumbered accordingly.

Article XI, Section 3, By-laws.

In the fourth line cancel the word "*fifteen*" and substitute "*twenty-five,*" and in the sixth line cancel the word "*fifteen*" and substitute "*twenty-five.*"

The section will then read as follows:

"SECTION 3. Each subordinate Temple shall pay annually to the Imperial Council, in accordance with its membership, the following sums: For 100 members or less — twenty-five dollars ($25.00). For all members over and above 100 members, twenty-five (25) cents for each member.

"The dues shall accompany the annual return of every Temple to the Imperial Council."

Article XV, By-laws.

In the tenth line of the third paragraph change the word "*or*" to "*and,*" also in the fifth and sixth lines of the fourth paragraph eliminate the words "*if the latter has any jurisdiction in the case.*"

The sentences will then read as follows:

"No Potentate or Recorder shall issue with any official notice of the Temple, or as a part thereof, any announcement or advertising matter of a purely business character which has not been authorized by a vote of said Temple, *and* which does not bear the indorsement of the Imperial Potentate.

"SECTION 2. Complaints or correspondence from individual Nobles on Imperial Council matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate; but a member of the Imperial Council may communicate directly with the Imperial Potentate. In case the Potentate of the Temple refuses or neglects to forward the communication as herein provided, the complainant may transmit the same directly to the Imperial Potentate."

Article II, Section 4, Code.

In the fourth line after the words "*where two,*" add the words "*or more*"; in the fifth line change the word "*both*" to "*each,*" and in the seventh line change the words "*become a member of*" to "*be created a Noble in.*"

The sentence will then read:

"Where two *or more* Temples hold concurrent jurisdiction over territory, the consent of *each* will be necessary to enable an applicant of that jurisdiction to be *created a Noble* in a Temple in any other jurisdiction," etc.

Article II, Section 5, Code.

In the fourth and fifth lines strike out the words "*necessary preliminaries toward,*" owing to the fact that by some Temples the ballot has been considered a "necessary preliminary" and candidates have been so elected, which is not the meaning of the law. The article would then read as follows:

"SECTION 5. Temples may open and confer the Order at any place within their jurisdiction, notice being given of such intent, and candidates having been previously elected; but no other business can be transacted at such session except conferring the Order," etc.

Article III, Section 1, Code.

In the third paragraph add the following:

"This officer being the Illustrious Potentate, Chief Rabban, Assistant Rabban, or a Past Potentate of the Temple."

The paragraph will then read as follows:

"A quorum in a Temple consists of seven members entitled to vote therein, including an officer entitled to open the body, this officer being the Illustrious Potentate, Chief Rabban, Assistant Rabban, or a Past Potentate of the Temple."

Article VIII, Section 1, Code.

Add the following to this section: "Except amendments to By-laws, in which case a two-thirds majority of the members present and voting shall be required."

The section will then read as follows:

"SECTION 1. All questions shall be determined by a majority vote, except amendments to By-laws, in which case a two-thirds majority of the members present and voting shall be required."

Article XI, Code.

Leave out the word "them" in the seventh line of the third paragraph, and substitute "*two copies (the committee retaining one copy)*." The sentence will then read:

"If the committee approve of them they shall make such approval thereon in writing and forward two copies (the committee retaining one copy) to the Imperial Potentate for his confirmation."

Article XV, Code.

After the word "representative" in the seventh line of the last paragraph insert in parentheses the following: "except as provided for in Section 2, Article VI, of the Code."

The sentence will then read as follows:

"In event of the resignation of any officer or representative (except as provided for in Section 2, Article VI, of the Code) the Temple may elect a successor without a special dispensation for that purpose, provided a notice is given to the members of the Temple that said election will be held."

Respectfully submitted,

PHILIP D. GORDON.
A. B. MCGAFFEY.
HENRY F. NIEDRINGHAUS.
CARLETON E. HOADLEY.
JNO. N. SEBRELL, Jr.

Each of these amendments were accepted and approved separately, and the report approved and adopted as a whole.

TELEGRAM FROM CONGRESSMAN MILLER, OF NILE TEMPLE

Telegram from Congressman Miller, of Nile Temple, relating to war taxes was read by the Imperial Potentate as follows:

WASHINGTON, D. C., June 5, 1918.

HENRY LANSBURGH,
Hotel Traymore, Atlantic City.

Think it better to have the officers of the Imperial Council or a special committee take up the tax matter. Suggest you initiate movement for a special committee headed by Imperial Potentate. Roper has already held fees and dues of Masonic lodges are nontaxable.

JOHN F. MILLER, M.C.

The hour of 5.30 P.M. having arrived, recess was declared until 9.30 A.M. Thursday.

The Imperial Council resumed business at 10.30 A.M.

FIFTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

ATLANTIC CITY, N. J., June 6, 1918.

To the Imperial Council, N.M.S.:

Your Committee on Jurisprudence and Laws, to whom was referred the decisions of the Illustrious Imperial Potentate, would report that it has given said decisions careful consideration, and would respectfully report as follows:

Decision No. 4 relates to requests received from Temples, especially from those located near cantonments, for permission to initiate men who are in the service into the Shrine, regardless of jurisdiction and in some cases without fee.

The Imperial Potentate states that he found it hard to refuse these requests, as his heart is with our Boys who are fighting for our country and our Flag, yet he did not feel that he was superior to the laws of this Imperial Council which he had taken an obligation to uphold. He therefore decided:

First. That men in Army or Navy service do not gain the residence while in camps that is required by Article XII, Section 1, of the Code, whether they are there six months or more.

Second. That in such cases they must apply and be elected in their home Temples and waiver of jurisdiction secured.

Third. That Potentates cannot grant waivers. This can only be done by action of the Temple.

Fourth. That Temples cannot grant blanket waivers.

With the above decisions your committee concurs and recommends their approval.

The fifth decision does not meet the approval of this committee. It reads as follows:

Fifth. "That the regular fee must be paid, but that it was competent for a Temple, at a regular meeting, to vote money out of its treasury to reimburse."

Your committee does not believe that this is good law. The laws of this Imperial Council require that "the Order shall not be conferred upon any one for a less sum than fifty dollars, but Temples may increase the amount if desired."

If a Temple should be permitted to charge the fifty dollars, or whatever sum in excess of fifty dollars that its by-laws may provide to be charged,

and then it should be allowed to reimburse to the candidate any part of the fee paid, such Temple would be simply nullifying and evading the law of the Order, and that such action should not be permitted, but in fact should be absolutely prohibited.

Your committee therefore recommend that Section 5 of said article be not approved.

Decision No. 14 was made in answer to the question, "Has a Temple the right to divulge to a Blue Lodge information that we used to expel a Noble?"

The Imperial Potentate replied as follows: "Answering your inquiry would say, No."

Your committee taking into consideration cases which have come to its personal knowledge, feels that this decision might if approved work detriment to the body to which we all belong, and which is the foundation of our Order, and we therefore recommend that it be the duty of any Temple of our Order to furnish to any Masonic body, upon proper application being made, all evidence in its possession, in order to enable such Masonic body to take intelligent action in such cases.

The remaining seventeen decisions are good law and meet the approval of this committee and we recommend their approval.

Respectfully submitted,

PHILIP D. GORDON.
A. B. MCGAFFEY.
HENRY F. NIEDRINGHAUS.
CARLETON E. HOADLEY.
JNO. N. SEBRELL, Jr.

The report of the committee was accepted and the recommendations therein contained adopted.

SIXTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

To the Imperial Council, A.A.O.N.M.S.:

Your Committee on Jurisprudence and Laws having considered carefully the various sections in the present statutes of this Imperial Council regarding "Dispensations for Temples" and the government thereof, have come to the conclusion it would be better to eliminate the whole lot and condense them into a new statute, with certain revisions.

We therefore recommend the following sections be canceled, viz.:

Constitution: Article IX, Sections 1, 2, 3.
By-laws. Article IX.
Code: Article I, Sections 1, 2, 3, 4, 5.
Code: Article III, Section 2.
Code: Article XII, Section 1 (second paragraph).

and the following to be substituted as Article I of the Code:

ARTICLE I

DISPENSATIONS FOR NEW TEMPLES

SECTION 1. No dispensation for a new Temple shall be granted except by action of the Imperial Council, and then only upon the filing of a petition which shall have been signed by at least four hundred Nobles of the Mystic Shrine, residing in what will be the territory of the proposed new Temple if the dispensation shall be granted; provided, also, that such dispensation shall not be granted in the event of the membership of the nearest Temple in the same jurisdiction being reduced to less than one thousand members by the withdrawal of the petitioners for the dispensation. The Imperial Council may, however, grant a dispensation for a Temple in unoccupied territory without such restrictions.

SECTION 2. The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

SECTION 3. An application for a dispensation for the formation of a New Temple must be on a prescribed form to be furnished by the Imperial Recorder, which must have printed thereon, in red ink, Section 6 of this article, for the information and guidance of the Nobles signing the same.

Every name on the application must be the actual signature of the petitioner, and when once signed the name cannot be withdrawn from the application except on the written request of the petitioner, and the written authority for such withdrawal shall be attached to the application for dispensation when presented to the Imperial Council; otherwise the original signature must stand.

If after an application for a dispensation for a new Temple has been delivered to the Imperial Recorder, in accordance with the next paragraph of this section, a signer of the application desires to withdraw his name, he must send his request in writing direct to the Imperial Recorder, who shall erase the name from the application and shall attach the authority for such erasure to the application before presenting it to the Imperial Council.

When completed the application must be filed with the Imperial Recorder at least sixty days prior to the annual session of the Imperial Council, and notice of such application must be published in the official call for the Imperial Council session. Unless such application is filed and published as herein provided, it must lie over until the next regular session of the Imperial Council.

SECTION 4. When the application for a dispensation is received by the Imperial Recorder he shall notify the Temple nearest the site of the proposed new Temple at least thirty days prior to the meeting of the Imperial Council, giving full information in regard to the application, in order that reasons may be presented, if desired, to the Imperial Council why such dispensation should not be granted.

SECTION 5. In the event of the granting of a dispensation by the Imperial Council, the Temple to which the dispensation is granted shall be liable for dues to the Imperial Council only for the fractional part of the year remaining after the dispensation is granted and for the per capita dues in full on members created.

SECTION 6. A Noble signing an application for a dispensation for a Temple becomes a member of the Temple under dispensation on the day

such dispensation is granted by the Imperial Council and shall be amenable to it for dues; provided, however, that the Temple of which he was a member prior to the granting of the dispensation may retain the dues already received from such member for the current year.

His membership in his former Temple is automatically dissolved by the granting of a charter to the New Temple, the application for the dispensation of which he signed, unless he gives notice in writing to the Recorder of the Temple under dispensation at or before the surrender of the dispensation (after the charter is granted) of his intention to resume his former membership, and it shall be the duty of the Potentate of the New Temple to cause the Recorder to immediately notify all Temples in which the charter members formerly belonged, of these facts.

SECTION 7. If the dispensation of a new Temple is taken up and no charter granted, the membership of all Nobles who had signed the application reverts to the Temples of which they were members prior to the granting of the dispensation, and all members of said Temple created therein become members of the Order at large, subject to the authority of the Imperial Council, and are entitled to a certificate to that effect, from the Imperial Recorder, which certificate has the force of a demit, for the purpose of affiliation.

SECTION 8. A Temple under dispensation has a legal existence and a legal jurisdiction, and, whether it works or not, such jurisdiction cannot be interfered with except by action of the Imperial Council. Such a Temple, however, cannot adopt by-laws until a charter has been granted and the Temple regularly constituted in accordance with the laws of the Imperial Council, but it shall in the mean time be governed by the Constitution, By-laws, and Code of the Imperial Council.

SECTION 9. A Temple under dispensation has no power to elect officers, but must retain its provisional officers until a charter has been granted to it.

The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

SECTION 10. No charter shall be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between two regular sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for conferring the Order.

SECTION 11. When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

All of which is respectfully submitted.

SEVENTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

To the Imperial Council, A.A.O.N.M.S.:

Your Committee on Jurisprudence and Laws having very carefully considered the recommendations made by the Imperial Potentate in his annual address regret there are some of these they cannot concur in, while others are satisfactory to the committee.

The recommendation to amend Section 1, Article VII, of the By-laws, by putting all the Past Imperial Potentates on the Committee of Jurisprudence and Laws, while very flattering to this committee to have attached to it such an august body, would in our opinion be altogether too cumbersome for good work.

We therefore recommend this portion of the Imperial Potentate's recommendations be not adopted, but that the article remain as it is except that portion of it pertaining to the Committee on "Imperial Council Headquarters at Annual Session," which requires slight alteration and which will be included in another report of this committee.

Adopted.

The recommendation that Section 1, Article X, of the By-laws be so amended that the minimum initiation fee for conferring the Order of the Mystic Shrine be raised from fifty dollars to seventy-five dollars would in the opinion of this committee be a fee not justifiable at the present time.

While the minimum fee at present is fixed at fifty dollars, any Temple has the privilege of making their fee as high as they see fit, which provision enables Temples to get as much revenue from that source as they wish, but at the same time puts the Temples that are satisfied with the fifty-dollar fee in a position to charge only that amount.

We therefore recommend the existing fee be kept as it is for the present.

That portion of this recommendation reducing the initiation fee for men in military and naval service to twenty-five dollars we concur in, and have embodied it in the revision of this article, which will be presented at this session of the Imperial Council.

Adopted.

The recommendation that intoxicating beverages of every kind be excluded from any premises where a ceremonial session is being held is in our opinion a most commendable one, but we do not like to see matters which concern the internal economy of Temples made *compulsory* if such a course can be avoided.

Therefore, while we would strongly urge every Temple which has not already become "*dry*," either voluntarily or by law, to do so at once we would recommend this matter to be left to the discretion of the Temples themselves to do what is right.

Adopted.

The recommendation that "the Imperial Recorder furnish all blank applications for dispensations for new Temples and that in addition to the regular form there be printed thereon in red ink Section 3, Article I, of the

Code, for the information of the Nobles signing same" is satisfactory to this committee, and we are embodying the clause in a new article covering "Dispensations for Temples" to be presented at this session of the Imperial Council.

Adopted.

The recommendation reading:

"That the form of petition for initiation or membership be so changed as to provide a question or declaration requiring the applicant to state the country of which he is a citizen and to which he gives allegiance, and that no petition be acted upon whose signer resides in other than the country to which he claims allegiance, except in the case of citizens of the United States and Canada" is in the opinion of this committee superfluous, even in these strenuous times, and that such matters can be safely left to the individual Temples, particularly where the guarding of their portals is concerned. We regret, therefore, we cannot concur in this recommendation.

The above portions of the report of the committee were acted upon separately and then adopted as a whole.

The recommendation of the Imperial Potentate regarding the amending of Section 2, Article II, of the Code, partially meets with our approval, particularly the first and last portions, but the middle section, which refers to persons in military or naval service, will not, in the opinion of this committee, be of the general benefit which we think it is the intention of the change to bring about.

We therefore respectfully recommend the following be substituted to cover the whole clause:

SECTION 2, ARTICLE II, CODE.

After the word "*jurisdiction*" in the sixth line eliminate the words "*and such authority shall be given only under the seal of the Temple so granting it,*" and add the following new sentence, "*No Potentate, however, shall have the power in himself to grant such authority, but it shall be given only by authority and under the seal of the Temple so granting it.* A Temple cannot grant a blanket waiver." Also leave out the words "*all petitions received*" in the eighth line, and substitute the words "*the names and addresses of all candidates rejected or to whom objections have been made,*" as well as adding another special paragraph. The section will then read as follows:

"SECTION 2. A Temple shall not act upon a petition for initiation of any one residing within the jurisdiction of another Temple without first obtaining permission of such Temple. It shall be competent in such cases for the Temple to waive its jurisdiction and permit another Temple to confer the Order upon one residing within its jurisdiction. No Potentate, however, shall have the power in himself to grant such waiver, but it shall be given only by authority and under the seal of the Temple so granting it. A Temple cannot grant a blanket waiver. Temples having concurrent jurisdiction must notify each other of the names and addresses of all candidates rejected or to whom objections have been made.

"It shall be the duty of the Imperial Potentate to suspend the work of any Temple violating the provisions of this section until the next meeting of the Imperial Council."

Provided, however, that the provisions as set forth above in regard to residence within the jurisdiction of another Temple shall not apply to persons actually in military, naval, or aerial service of any country in the jurisdiction of this Imperial Council during the existence of the present war. Such persons may apply to any Temple they may desire, and such Temple may receive and ballot upon their petitions, and if acceptable can confer the Order and retain the fees.

Respectfully submitted,

PHILIP D. GORDON.

This part of the report of the committee was not adopted, and after much discussion the committee was ordered to report in favor of the recommendation made by the Imperial Potentate, which they afterwards did. (See Twelfth Report of the committee.)

FIRST REPORT OF THE COMMITTEE ON FINANCE AND ACCOUNTS

ATLANTIC CITY, N. J., June 6, 1918.

To the Imperial Council, A.A.O.N.M.S. for North America:

Your Committee on Finance and Accounts, to whom was referred the appeal of the Masonic War Relief Association for a donation to its funds and its work, especially the work being carried on in Paris, France, in the Masonic Orphange, where several hundred war orphans are being cared for, and the work in London, England, where the Masonic War Hospital is caring for wounded soldiers of England, the United States, and the allies of the two countries, would respectfully report:

The Imperial Council has endorsed the work of the Masonic War Relief Association of the United States since its inception in 1914 and it still endorses it.

Your committee therefore recommends that the sum of ten thousand dollars be appropriated for the work of said Association, this sum to be paid to the said Masonic War Relief Association, with the request that they divide said sum between the Masonic Orphan Asylum in France and the Masonic War Hospital in England, in such manner as it may determine and at such time as it may think best as a contribution from the Imperial Council of Nobles of the Mystic Shrine of North America.

All of which is respectfully submitted.

SECOND REPORT OF THE COMMITTEE ON FINANCE AND ACCOUNTS

ATLANTIC CITY, N. J., June 6, 1918.

To the Imperial Council, A.A.O.N.M.S. for North America:

Your Committee on Finance and Accounts, to whom was referred the annual reports of the Imperial Recorder and Imperial Treasurer, would respectfully report that they have carefully audited the same and find them to be correct in every particular.

We therefore recommend that the same be approved.

The Imperial Treasurer placed his certified bank books, certificates of deposit, and securities in the hands of your committee, and the same correspond with his official report.

These are the twenty-fourth annual reports of each of these tried and faithful servants of this Imperial Council. They were first elected to office at the same time, at the annual session held in the city of Denver, Colorado, in July, 1894. There are very few of us here today that participated in their first election in Denver in 1894. This is the sixteenth time that the present chairman of your Committee on Finance and Accounts has had the pleasure of reporting the auditing of their accounts and submitting the ever "correct in every particular" to this Imperial Council.

It seems to your Committee on Finance and Accounts that such a record is worthy of memorable notice; we therefore recommend that the annual session of the Imperial Council for 1919 shall be designated as "The Quarter Century Jubilee Session of the Imperial Recorder and the Imperial Treasurer."

In conformity with the law of this Imperial Council, your committee recommend the following appropriations for current expenses for the ensuing year:

Contingent Fund for the Imperial Potentate	$6,500.00
Salary for the Imperial Recorder	2,400.00
Office rent, Imperial Recorder	300.00
Salary for the Imperial Treasurer	1,000.00

REPORT OF THE COMMITTEE ON DISPENSATIONS AND CHARTERS

ATLANTIC CITY, N. J., June 6, 1918.

To the Imperial Council, A.A.O.N.M.S.:

Your Committee on Dispensations and Charters, having given careful consideration to all matters referred to it at this annual session, reports concerning the same as follows:

EGYPT TEMPLE

Now working under a dispensation granted by this body on June 26, 1917, has duly applied for a charter.

It is located at Tampa, Florida. Not only has it provided itself with a proper place of meeting and the necessary paraphernalia for conferring the Order, as required by law, but it submits an exceptional record.

Starting with a membership of 416, it now has 736, a gain of 77%.

It has given to war work and charity in its brief existence $2,750, and still has assets aggregating $8,414.83, of which almost $5,000 is invested in Liberty Bonds and War Savings Stamps.

It has more than justified its establishment, and gives promise of a brilliant future.

We recommend that the charter be granted.

TEHAMA TEMPLE

Located at Hastings, Nebraska, now working under a dispensation granted by this body on June 27, 1917, has made application for a charter.

It appears that it has amply complied with the legal requirements.

It now has a membership of 589, no debts, assets aggregating $8,600, of which $600 is invested in Liberty Bonds and War Savings Stamps, and has donated $400 to other charitable purposes.

Its success seems well assured.

We recommend that the charter be granted.

And it was so ordered.

ABOU SAAD TEMPLE

Located in the Panama Canal Zone, now working under a dispensation granted by this body on June 27, 1917, has made application for a charter.

This Temple has provided itself with a proper place of meeting and with the necessary paraphernalia.

Its present membership is 425. Its assets aggregate about $4,600, of which $1,800 has been invested in Liberty Bonds. It has also donated $571 to the Red Cross.

While its record is in many respects creditable, your committee has not been entirely free from misgivings as to the permanent success of this Temple, because of conditions which need not be enlarged upon in this report.

After mature deliberation the situation was frankly submitted to the Potentate, Noble Samuel H. Marcuse, whose zealous and unselfish efforts in behalf of the welfare of the Temple deserve commendation, and he has given written assurances to your committee that the cause of our misgivings shall be corrected.

Relying thereupon, we recommend that the charter be granted.

So ordered.

NO DISPENSATIONS

It is worthy of note that, for the first time in over twenty-five years at least, and perhaps for the first time in the history of this Imperial Council, no applications for dispensation have been presented at this session.

The splendid growth in membership during the past year betokens that this is not because of any waning interest in Shrinedom. It is rather an evidence that the virile manhood composing the Nobility places patriotism above ambition, and is imposing upon itself a laudable spirit of forbearance and self-restraint, actuated by a high resolve to subordinate all things else to winning the war, and to doing, not our "bit," but our "best," to back our brave boys who are battling for the holy cause of Liberty and Humanity.

Such a spirit commands our praise.

Fraternally submitted,

JAS. T. ROGERS,
A. E. CAMERON,
CHAS. WEINBERGER,
F. C. SCHRAMM,
EARL C. MILLS,

Committee on Dispensations and Charters.

The report was then adopted as a whole.

PRESENTATION TO NOBLE MARCUSE OF ABOU SAAD TEMPLE

The Imperial Potentate in behalf of the Imperial Council presented to Noble Marcuse the gong used at this session, for the use of Abou Saad Temple, which Noble Marcuse accepted with thanks.

REPORT OF THE COMMITTEE ON TIME AND PLACE

To the Imperial Council, A.A.O.N.M.S. of N. A.:

Your Committee on Time and Place for holding the next meeting of the Imperial Council unanimously recommend that the Forty-fifth Annual Session of the Imperial Council be held at Indianapolis, Indiana, June 10, 11, 12, 1919.

Respectfully submitted,

RICHINGS J. SHAND, *Chairman.*

EIGHTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

ATLANTIC CITY, N. J., June 6, 1918.

To the Imperial Council, A.A.O.N.M.S.:

The Committee on Jurisprudence and Laws, to whom was referred the petition referring to jurisdictional lines between El Riad, Yelduz, and Naja Temples, situated in the State of South Dakota, would respectfully report as follows:

We have had the same under consideration and find that in justice to the Temples located in South Dakota, the jurisdictional lines established many years ago should be changed. The petition would make certain territory located in the central part of the State, both east and west of the Missouri River, concurrent between the three Temples named, and we recommend the adoption of the following resolve:

Resolved:

That El Riad Temple shall have exclusive jurisdiction in the county of Minnehaha and concurrent jurisdiction in all the other counties of the State except Brown County, in which Yelduz Temple is located, and Lawrence, Harding, Butte, Meade, Pennington, Custer, Fall River, Washington, Shannon, Washabaugh, and Bennett, over which Naja Temple has exclusive jurisdiction.

That Yelduz Temple shall have exclusive jurisdiction in the county of Brown and concurrent jurisdiction in all the other counties in the State except Minnehaha County, in which El Riad Temple is located, and

Lawrence, Harding, Butte, Meade, Pennington, Custer, Fall River, Washington, Shannon, Washabaugh, and Bennett Counties, over which Naja Temple has exclusive jurisdiction.

Naja Temple shall have exclusive jurisdiction in the counties of Lawrence, Harding, Butte, Meade, Pennington, Custer, Fall River, Washington, Shannon, Washabaugh, and Bennett, and concurrent jurisdiction over the other counties of the State, except Minnehaha, where El Riad is located, and Brown County, where Yelduz is located.

Respectfully submitted,

ALBERT B. MCGAFFEY.
CARLETON E. HOADLEY.
JOHN N. SEBRELL, Jr.
HENRY F. NIEDRINGHAUS.

The report was accepted and approved.

NINTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

Your Committee on Jurisprudence and Laws, to which was referred the petition of the representatives of Ben Hur, relative to jurisdictional lines between Ben Hur and Alzafar Temples, beg leave to report, that after many and extended conferences with the representatives of said Temples an agreement has been reached by which the jurisdictional lines are defined until and unless the same may be changed hereafter as provided by the laws of the Imperial Council. Your committee recommend that the lines of jurisdiction between these Temples be established as described in the agreement which is attached hereto.

Respectfully submitted,

TENTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

To the Imperial Council, A.A.O.N.M.S.:

Your Committee on Jurisprudence and Laws recommend the following changes in the By-laws, viz.:

ARTICLE VII, SECTION 1, BY-LAWS:

After the word "Charters" in the second line of the fifth paragraph add the following: "also the establishment and modification of all jurisdictional lines between Temples."

The paragraph would then read as follows:

Dispensations and Charters. To it shall be referred all applications for dispensations and charters, also the establishment and modification of all jurisdictional lines between Temples. It shall carefully examine the work and records of each Temple, etc.

ARTICLE VII

BY-LAWS

In the last paragraph relating to "Imperial Council Headquarters at Annual Session," change the word "*Representatives*" in the third line to "*members of the Imperial Council*"; also strike out the last sentence reading as follows:

"It shall also arrange with the several trunk lines and transportation companies for special rates to and from the Annual Session of the Imperial Council."

The paragraph would then read:

"*Imperial Council Headquarters at Annual Session.* This committee shall consist of the Imperial Potentate, Deputy Imperial Potentate, Imperial Chief Rabban, and two *members of the Imperial Council* to be appointed by the newly elected Imperial Potentate at the close of each session of the Imperial Council, whose duty it shall be to select a hotel at which the Imperial Council headquarters for the next Annual Session shall be established, and to engage rooms for the Imperial Divan, Past Imperial Potentates, Emeritus and Honorary Members, Representatives, and their families."

ARTICLE X

BY-LAWS

Add the following to Section 1:

"Any Temple is permitted to confer the Order upon any candidates from within its jurisdiction, who are in actual active service (as designated by the military or naval authorities) in the present war, for the sum of twenty-five dollars ($25.00), *but not less.* No rebates for expenses, fezes, buttons, or evasions of any kind to be allowed.

SECTION 2. After the word "*paid*" in the second line, add the words "*in advance,*" and to the end of the section add the following paragraph:

"Any Temple is permitted to remit the annual dues of any of its members who are in active service in the present war, by presenting to such member his certificate or Shrine card (as detailed in Section 2, Article XIII, of the Code) each year, free of charge, while such member remains in actual active service, and in any case not longer than until such time as the termination of the present war or until he gets his discharge from active service."

The article will then read as follows:

ARTICLE X

INITIATION FEE

SECTION 1. The Order of the Nobles of the Mystic Shrine shall not be conferred upon any one for a less sum than fifty dollars ($50.00); but Temples may increase the amount if desired.

Any Temple is permitted to confer the Order upon any candidates from within its jurisdiction, who are in actual active service (as designated by the military or naval authorities) in the present war, for the sum of twenty-five dollars ($25.00), *but not less*. No rebates for expenses, fezes, buttons, or evasions of any kind to be allowed.

SECTION 2. In each Temple of the Order the annual dues shall not be less than five dollars ($5.00), to be paid in advance by all members of the Temple alike, except Life Members.

Any Temple may provide in its by-laws that candidates admitted to the Temple shall pay dues as follows: Between January 1st and March 31st, $5.00; between April 1st and June 30th, $3.50; between July 1st and September 30th, $2.50; between October 1st and December 31st, $1.50; which proportionate amounts shall constitute the dues of the candidate to December 31st of the current year. If any Temple has dues higher than five dollars per annum, candidates should pay proportionately in above ratio.

Any Temple is permitted to remit the annual dues of any of its members who are in active service in the present war, by presenting to such member his certificate or Shrine card (as detailed in Section 2, Article XIII, of the Code) each year, free of charge, while such member remains in actual active service and in any case not longer than until such time as the termination of the present war or until he gets his discharge from active service."

Respectfully submitted,

PHILIP D. GORDON.
A. B. MCGAFFEY.
CARLETON E. HOADLEY.
JNO. N. SEBRELL, Jr.
HENRY F. NIEDRINGHAUS.

Each of these recommendations was adopted separately and then adopted as a whole.

ELEVENTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

In the matter of the resolution presented by George M. Napier, Forrest Adair, Walter P. Andrews, and Homer R. McClatchey, representatives of Yaarab Temple, commending to the Temples of the Order an immediate contribution of not less than one dollar per member, to be used for patriotic purposes, and providing for a commission of five members of the Imperial Council to determine the benefaction and the method and manner of expenditure, your Committee on Jurisprudence and Laws, fully appreciating the patriotic purpose of the resolution, are of opinion, after a careful consideration, that while the general object sought by the resolution is commendable, yet on account of its vagueness and indefiniteness it would not be either advantageous or wise to adopt it as presented. Your committee, believing that the funds raised by the Imperial Council can be better and more judiciously expended by the proper officers having charge thereof, recommend that the Imperial Potentate, if he shall find the funds of the Imperial Council at his disposal insufficient, may, at any time

he may deem expedient, commend to the several Temples of the Order such contributions as may be proper.

Respectfully submitted,

PHILIP D. GORDON.
HENRY F. NIEDRINGHAUS.
CARLETON E. HOADLEY.
JNO. N. SEBRELL, Jr.

Adopted unanimously.

REPORT OF THE COMMITTEE ON HISTORY OF THE ORDER

To the Imperial Council, N.M.S.:

Your Committee on History of the Order regrets that it can only report progress in the work devolving upon it. At the last session of the Imperial Council, Noble Saram R. Ellison asked to be relieved as chairman of the committee. This was done and Noble D. C. O'Flaherty was appointed chairman by the Imperial Potentate, and Noble James McGee was added to the committee. The historical matter that had been collected was taken in hand by the new chairman, who called to his assistance Noble Jas. McGee and Noble Wm. B. Melish. In January last, Chairman O'Flaherty and Noble W. J. Thornby resigned from the committee, their membership as representatives to the Imperial Council having ceased. The Imperial Potentate thereupon appointed Noble Wm. B. Melish as chairman of the committee, and also appointed Nobles Preston Belvin and George A. Pettigrew as members of the committee. During the last three months a large amount of work has been done in the preparation and compilation of matter from original records and from the Proceedings of the Imperial Council. This work has been largely done by Noble James McGee, of New York City, where the Ancient Arabic Order of Nobles of the Mystic Shrine was instituted in America in 1874.

In the preparation of historical matter the committee was authorized by the Imperial Potentate to employ a Noble to assist the committee, and to have typewriting done and to go to the expense of not to exceed five hundred dollars for the work.

A good deal of this work has been done and has been in the hands of this committee at this session. Much of this matter has to be carefully revised and compared with the official records of the Imperial Council. We have divided this work among the members of the committee and will undoubtedly complete the work during the coming year.

Your committee asks that it may be continued for another year in order to carry on and complete its work.

Yours in the Faith,

WM. B. MELISH.
PRESTON BELVIN.
JAMES MCGEE.
GEO. S. MEREDITH.
GEORGE A. PETTIGREW.

The report was accepted and the recommendation and request granted.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

To the Imperial Potentate, Officers, and Representatives of the Imperial Council, A.A.O.N.M.S.:

Your Committee on Grievances and Appeals beg leave to report that in committee duly assembled at this session it was found that no matters requiring action were presented for its consideration.

Your committee congratulates the Imperial Potentate and Imperial Council that such a close abeyance to our well-established rules and regulations have been followed by the Temples, that nothing of a disturbing nature has been submitted to the committee.

Respectfully submitted,

T. J. HOUSTON, *Chairman.*
HENRY L. MARSH.
ALBERT A. JESSUP.
WM. H. PAASCHEN.
E. H. JOHNSON.

Report accepted and approved.

TWELFTH REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

To the Imperial Council, A.A.O.N.M.S.:

Owing to that portion of the report of the Committee on Jurisprudence and Laws regarding military or naval candidates not being satisfactory to this Imperial Council, we now offer you, as directed by this Imperial Council, the following, which is the recommendation of Imperial Potentate Ovenshire in full:

Provided that persons actually in the military or naval service of their governments during the present war and temporarily in camps or service outside their home jurisdiction, who desire to be initiated into the A.A.O.N.M.S., may apply to the most convenient Temple, which upon receipt of such petition shall notify the Temple in his home jurisdiction (if in concurrent territory the Temple of the applicant's choice therein) with full particulars as to name, residence, age, occupation, and membership in prerequisite, whereupon the Potentate of said Temple so notified, and after investigation may either grant a waiver to the Temple requesting it, or may declare the applicant duly elected to receive the Order in his home Temple and be a member thereof, and request the Temple receiving the petition to collect the fee and confer the Order for the home Temple; provided further, that the action of the Potentate must in each case be reported to his Temple at its next regular session.

And this to be made the last paragraph of Section 2, Article II, Code.

We recommend this be done.

So ordered.

Respectfully submitted,

PHILIP D. GORDON.
A. B. MCGAFFEY.
CARLETON E. HOADLEY.
JNO. N. SEBRELL, Jr.
HENRY F. NIEDRINGHAUS.

Past Imperial Potentate Wm. B. Melish offered the following amendment to the report, which was upon vote declared lost.

Motion to amend the report of the committee, so that the law in regard to soldiers shall read as follows:

Provided that persons in the military or naval service of their governments during the present war and temporarily in camps or service outside their home jurisdiction, who desire to be initiated into the A.A.O.N.M.S., may apply to the most convenient Temple which, upon receipt of such petition, shall notify the Temple in his home jurisdiction and ask a waiver of jurisdiction over the applicant. The Temple receiving the request for waiver may either grant a waiver to the Temple requesting it, or may elect the applicant and request the Temple receiving the application to confer the Order for the Temple electing him.

The report of the committee as submitted was then adopted.

THANKS OF THE IMPERIAL COUNCIL

The thanks of the Imperial Council were extended to Salaam, Crescent, and Lu Lu Temples for the generous treatment and abundant hospitality that had been extended to the officers and members of the Imperial Council on the occasion of this Forty-fourth Annual Session.

FAMOUS SACK OF FLOUR

Noble Henry Greis, of Akdar Temple, addressed the Imperial Council and presented the famous sack of flour, which had traversed the continent and been sold for more than eighty-six thousand dollars, and requested that those Temples who had not had this sack of flour for sale communicate with Salaam Temple, also extending his thanks to the Temples who had made the sack of flour famous.

ADDRESS BY THE POTENTATE OF SALAAM TEMPLE

Noble W. Freeland Kendrick then presented Noble Frank A. Champlin, Potentate of Salaam Temple, who addressed the Council, expressing his pleasure at having the session in Atlantic City, and presented to Nobles Charles E. Ovenshire, W. Freeland Kendrick, and Henry F. Niedringhaus, honorary membership in Salaam Temple, to which they had been elected.

Noble Kendrick in behalf of the three recipients responded, accepting the gifts and extending their thanks.

THE IMPERIAL RECORDER ANNOUNCED THE COLOR OF THE CARD FOR THE YEAR 1919

The card is to be printed on a plain white stock, with the upper and lower portions to be printed in solid red ink, the middle portion to be left plain white.

In the center of the white shall be the seal in a blue tint.

The type in the upper and lower portions to be printed over the red in black ink.

OLD JEWELS OF IMPERIAL OFFICERS

The Imperial Treasurer addressed the Imperial Council relative to the disposal of the old and obsolete jewels of the Imperial Council which were placed in his possession for safekeeping, and on motion he was instructed to hold them in his charge.

INSTALLATION

The officers were then installed into their respective offices by Past Imperial Potentate William B. Melish.

PRESENTATION OF JEWEL

Past Imperial Potentate Melish presented Past Imperial Potentate Charles E. Ovenshire the regulation jewel of a Past Imperial Potentate and Noble Ovenshire's reply to Noble Melish was an expression of his thanks for the gift and his appreciation for his many favors in the Order.

STANDING COMMITTEES APPOINTED

The Imperial Potentate, in accordance with constitutional requirements, announced the following committees:

COMMITTEE ON JURISPRUDENCE AND LAWS

IN MEMORIAM

I've often wondered if that day would break
  Brighter than other days
That I might know, or wrapped in some strange gloom,
And if he'd find me waiting in my room,
  Or busy with life's ways,
With tired hands and weary eyes that ache.

For many years I've known that he would come,
  And so have watched for him,
And sometimes even said, "He will come soon";
Yet mornings pass, followed by afternoons,
  With twilights dusk and dim,
And solemn night times, when the world is dumb.

But he will come, and find me here or there —
  It does not matter when —
For when he comes I know that he will take
In his these very hands of mine that ache;
  They will be idle then,
Just folded, maybe, with a silent prayer.

Yes, he whom I expect has been called Death,
  And once he is my guest,
Nothing disturbs of what has been or is;
I'll leave the world's loud company for his,
  As that which seemeth best,
And none may hear the tender words he saith

As we pass out, my royal guest and I,
  As noiseless as he came;
For naught will do but I must go with him,
And leave the house I lived in closed and dim;
  It only bears my name;
I've known I should not need it by and by.

And so I sleep and wake, I toil and rest,
  Knowing when he shall come
My Elder Brother will have sent for me,
Bidding him say that they especially
  Have need of me at home,
And so I shall go gladly with my guest.

IMPERIAL COUNCIL
ANCIENT ARABIC ORDER
NOBLES OF THE MYSTIC SHRINE

THE IMPERIAL COUNCIL

OF THE

ANCIENT ARABIC ORDER

OF THE

Nobles of the Mystic Shrine

FOR

NORTH AMERICA.

CONSTITUTION.

REVISED TO JULY 1, 1918.

ARTICLE I.

Name and Powers.

Section I. This body shall be known by the name, style and title of

THE IMPERIAL COUNCIL

OF THE

ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE

FOR

NORTH AMERICA.

Sect. 2. It has power to enact Laws, Statutes and Regulations for the government of the whole Order; to issue Edicts; to amend or repeal the same; to grant dispensations and charters for holding Temples of the Ancient Arabic Order of the Nobles of the Mystic Shrine within its jurisdiction; and to amend or revoke the same. Its authority also extends to such Temples as may be organized under its dispensations or charters in foreign countries.

Sect. 3. It has the exclusive right to control all the subordinate Temples of the Order within its jurisdiction. It may censure, suspend and erase Temples; and try, discipline, suspend or expel its members for violation and disobedience of its Constitution, Regulations and Edicts.

Sect. 4. It is the body to which all final appeals shall be made on all matters of importance emanating from subordinate Temples.

ARTICLE II.

Sessions.

Section 1. The Imperial Council shall meet annually, at such time and place as shall have been determined by a majority of the Representatives at the previous session. The business of the Annual Session shall be distributed over a three days' session.

Sect. 2. Special sessions may be called by the Imperial Potentate in any emergency, at any time and place in his discretion, or, when requested by fifty Representatives to the Imperial Council, forty of whom shall be members of separate Temples, it shall be his duty so to do; due notice of said special session to be given to each subordinate Temple and to each Representative to the Imperial Council, stating the business to be considered; and no other business than that specified in the call or summons shall be transacted.

Sect. 3. Fifty Representatives, forty of whom shall be Representatives of separate Temples, shall constitute a quorum for the transaction of business.

Sect. 4. Notices of sessions of the Imperial Council shall be issued at least thirty days prior to such sessions.

ARTICLE III.

Representatives.

Section 1. Representation in the Imperial Council shall be apportioned as follows: To every Temple working by authority of a charter granted by this Imperial Council there shall be one Representative, who must be a member of the Temple electing him. Each Temple shall be entitled to two Representatives when its membership reaches three hundred, three Representatives when its membership reaches six hundred, and four Representatives when its membership reaches one thousand; but no Temple shall be allowed more than four Representatives.

Sect. 2. The Representatives shall be chosen as follows: Each Temple shall, at the regular annual election of officers, elect by ballot, and by a majority vote, such Representative or Representatives to the Imperial Council as it shall be entitled to, and a certified record of such election shall be forwarded to the Imperial Recorder, which credential shall be countersigned by the Recorder of the Temple, who shall also affix the seal of the Temple thereto.

Sect. 3. The number of membership by which the number of Representatives shall be determined shall be the membership of the Temple on the date of its annual meeting for the election of officers in December of each year.

Sect. 4. Any Representative of the Imperial Council who shall remove and reside permanently out of its jurisdiction, be suspended or expelled by a subordinate Temple, or found guilty of a felony or a criminal offence involving moral turpitude, shall thereby have vacated his office.

Sect. 5. All Past Imperial Potentates shall be Representatives *ad vitam*. The Imperial Council may, by a three-fourths vote of the members present at any session, elect as an emeritus member of the Imperial Council any Noble who has been a Representative for twenty-one years, and who is recommended for such honor by the Committee on Nomination of Emeritus and Honorary Members. Such emeritus member shall be entitled to all the rights and privileges of elected Representatives.

The Imperial Council may also, by a three-fourths vote of the members present at any session, elect as an honorary member of the Imperial Council any Noble who has been a Representative for not less than ten years, and who is recommended for such honor by the Committee on Nomination of Emeritus and Honorary Members. Each name presented for consideration of this committee shall first have received the endorsement of the Temple of which the Noble is a member, said action to be had at a regular session. All honorary members shall have a voice in the proceedings of the Imperial Council, but shall have no vote or other privileges or emoluments.

ARTICLE IV.

Officers — their Titles, Election, Tenure of Office and Obligation.

Section 1. The officers of the Imperial Council shall be as follows, viz.:

I. Imperial Potentate.
II. Deputy Imperial Potentate.
III. Imperial Chief Rabban.
IV. Imperial Assistant Rabban.
V. Imperial High Priest and Prophet.
VI. Imperial Oriental Guide.
VII. Imperial Treasurer.
VIII. Imperial Recorder.
IX. Imperial First Ceremonial Master.
X. Imperial Second Ceremonial Master.
XI. Imperial Marshal.
XII. Imperial Captain of the Guard.
XIII. Imperial Outer Guard.

All of whom, except the Imperial Potentate, must be Representatives to the Imperial Council.

Sect. 2. Each officer shall be elected by a majority vote of the Representatives, and those holding the privileges of Representatives present and voting. Nominations for officers may be made, but the nomination speeches shall be limited to one for each candidate presented, and to be not over five minutes in length, and no seconding speeches will be permitted.

A Temple may adopt resolutions of endorsement of one of its members as a candidate for office in the Imperial Council. The resolutions or endorsement may be sent, under seal, to Repretatives and to other Temples, but no other style of nominations or electioneering shall be permitted to be made by any Noble or any subordinate Temple for any Imperial Council office.

Sect. 3. The officers of the Imperial Council and of every subordinate Temple in the jurisdiction, before they enter upon the exercise of their respective duties, shall take the following obligation:

"I (name in full), do solemnly promise and vow that I will faithfully, and to the best of my ability, discharge the duties of the office to which I have been elected, and that I will strictly conform to the requirements of the Constitution, Regulations and Edicts of the Imperial Council for North America."

ARTICLE V.

Imperial Potentate.

Section 1. The Imperial Potentate is the executive officer of the Order within the jurisdiction of this Imperial Council. He may suspend, until the next session of the Imperial Council, or for a less time, any officer of the Imperial Council, or any Temple or officer thereof for violation or disobedience of the Constitution, By-Laws, Code or Edicts of the Imperial Council.

Sect. 2. He shall preside over all stated and special sessions of the Imperial Council, and at his pleasure, over all sessions of subordinate Temples which he shall favor with his presence.

Sect. 3. When, in his judgment, the good of the Order requires it, he shall have power to call special sessions of the Imperial Council, specifying the business to be laid before it.

Sect. 4. During the recess of the Imperial Council he is invested with a general supervision of the Order throughout the jurisdiction. He shall have a yearly contingent fund in such an amount as the Imperial Council may vote for each year, out of which all expenses of his office shall be defrayed. He shall have

control of an emergency fund of one thousand dollars, from which fund he may make contributions in the name of the Imperial Council in such cases of disaster and extraordinary distress throughout the jurisdiction of the Imperial Council as he may think necessary to make. He may make a larger contribution than one thousand dollars to any case of charity or of great destitution, provided he has the approval in writing of the Deputy Imperial Potentate and Imperial Chief Rabban and the chairman of each of the Committees on Jurisprudence and Laws and Finance and Accounts, or a majority thereof, before so doing. The Imperial Pot entate must approve of all orders drawn upon the Imperial Treasurer for expenses incurred by committees and officers of the Imperial Council, such orders to be drawn by the Imperial Recorder and issued in payment of an appropriation or in accordance with an order previously made by the Imperial Council. He shall have the supervision of the work of all special committees and of the expenditure of all moneys made by said special committees.

Sect. 5. He shall have power to confer the Order "at sight," either in person or by a deputy authorized for that purpose, but only for the purpose of organizing new Temples under dispensation in unoccupied territory; and the fees therefor shall be turned into the treasury of the Temple so organized under dispensation. The minimum fee in such cases shall be fifty dollars for each and every candidate.

Sect. 6. Deputies may be appointed by the Imperial Potentate for a specific purpose, which shall be set forth in the commissions issued, which shall be executed without unnecessary delay; and the appointments shall cease when the said purposes shall have been executed. It shall be the duty of each Deputy appointed under the provisions of this section to return his authority to the Imperial Potentate with a written report of his action thereunder.

Sect. 7. He may do all such other acts and perform all such other duties, not inconsistent with this Constitution, as, in his judgment, the interests of the Order require.

Sect. 8. An Imperial Potentate does not become a Past Imperial Potentate until his successor in office is elected and installed. His Temple should elect him as a Representative to the session of the Imperial Council over which he is to preside as Imperial Potentate, but failure to so elect him does not deprive him of any of his official rights or prerogatives as Imperial Potentate.

ARTICLE VI.

Deputy Imperial Potentate.

Section 1. The Deputy Imperial Potentate, in the event of the death, removal or physical disability of the Imperial Potentate, shall act, with full power, in his place and stead until the disqualification is removed. At all other times he shall perform such duties as may be designated by his superior officer.

ARTICLE VII.

Imperial Chief and Assistant Rabbans.

Section 1. The Imperial Chief Rabban and Imperial Assistant Rabban, in the absence of their superiors, shall severally and respectively assume the responsibilities and discharge the duties of their superior officers according to rank. At all other times they shall discharge the duties traditionally appropriate to their respective stations.

ARTICLE VIII.

Duties of Imperial Recorder.

Section 1. The Imperial Recorder shall attend all sessions of the Imperial Council and shall keep a true record of all the work, deliberations and transactions of the Imperial Council, and transcribe the same in a book for that purpose.

Sect. 2. He shall collect and receive all the revenues of the Imperial Council, and pay over the amount to the Imperial Treasurer whenever the sum reaches the amount of one thousand dollars. Before entering upon the duties of his office he shall give a bond to the Imperial Council in the sum of ten thousand dollars, and the Imperial Potentate shall be the custodian of said bond.

Sect. 3. He shall forward to each newly constituted Temple, immediately upon such Temple receiving a dispensation, a copy of this Constitution, together with such other statutes and edicts as are in force.

Sect. 4. He shall make an annual report of his accounts, and also a summary of the returns of the subordinate Temples, showing the number of the members of each; also the admissions, rejections, suspensions, expulsions, dimissions and deaths. He shall have his books, papers and accounts present at the opening of each annual session prepared for examination by the Committee on Finance and Accounts; shall have in custody the official seal of the Imperial Council and affix it to all official communications; notify the members of the Imperial Council of the annual

and special sessions, and perform such other duties appertaining to his office as may be required; and at the expiration of his term of office deliver to his successor all books, papers or other property in his possession belonging to the Imperial Council.

Sect. 5. The Imperial Recorder shall prepare uniform credential blanks and mail them to the several Temples in ample time for filling out and presentation at the annual sessions of the Imperial Council.

Sect. 6. The Imperial Recorder shall issue to all Temples yearly, a list of all expulsions, suspensions and restorations reported to him.

Sect. 7. The Imperial Recorder is authorized to furnish the first six elective officers of the Imperial Council with Rituals, the same to be receipted for and returned with the jewel of office each year, at the annual session of the Imperial Council.

Sect. 8. The Imperial Recorder shall prepare and furnish a badge to be worn only by the Representatives to the Imperial Council; said badge to be delivered to the Representatives upon their arrival at the place fixed for the session of the Imperial Council and upon their signing a register prepared for that purpose.

Sect. 9. Whenever the stock of Past Imperial Potentate's jewels authorized by the Imperial Council shall be exhausted, the Imperial Recorder shall procure bids from at least three first-class jewelers in the United States of America for manufacturing, for this Imperial Council, three Past Imperial Potentate's jewels, to be made strictly in accordance with the design heretofore adopted by the Imperial Council. After such bids are received the Imperial Recorder, with the approval of the Imperial Potentate, shall cause three such jewels to be made by the lowest bidder, and at each meeting of the Imperial Council the Imperial Recorder shall have one of said jewels in readiness, and the same shall be at such session presented to the retiring Imperial Potentate.

Sect. 10. He shall receive for his services the sum of twenty-four hundred dollars per year, and shall be allowed the sum of three hundred dollars per year for office rent.

ARTICLE IX.

Duties of Imperial Treasurer.

Section 1. It is the duty of the Imperial Treasurer to attend all sessions of the Imperial Council, with the books and papers of his office. He shall receive all moneys from the Imperial Recorder, giving his receipt therefor, and shall deposit the same in a

national bank or trust company in the name of, and subject to the order of the Imperial Council. He shall pay all orders authorized to be drawn on him by the Imperial Council; such orders to be signed by the Imperial Recorder and countersigned by the Imperial Potentate, and issued in payment of an appropriation or in accordance with an order previously made by the Imperial Council, and, before entering upon the duties of his office, give his bond to the Imperial Council in the sum of fifty thousand dollars, and the Imperial Potentate shall be the custodian of said bond. He shall, at each annual session, render a correct account of his receipts and disbursements; and at the expiration of his term of office he shall deliver to his successor all moneys, books, papers or other property that may be in his possession or under his control, as Imperial Treasurer. He shall receive for his services the sum of one thousand dollars per annum.

ARTICLE X.

Other Officers.

Section 1. The remaining officers are to perform such duties as are appropriate to their several stations, or as may be assigned to them by the Imperial Council or Imperial Potentate.

ARTICLE XI.

Prerequisites for the Order.

Section 1. No application for the Order shall be received unless the applicant is a regular Knight Templar in good standing in a Commandery, or a Thirty-second degree Mason in good standing in a Consistory of the Ancient Accepted Scottish Rite of the obedience of either of the Supreme Councils for the Northern or for the Southern Masonic Jurisdiction of such Rite in the United States, and those Supreme Councils which are in amity with and recognized by them. Each application for the Order shall be made upon the form of petition provided by the Imperial Council.

No Temple can add to or take from the prerequisites for membership in Temples fixed by the Imperial Council. A Temple cannot adopt a rule, regulation, or resolution, requiring that a candidate must be both a Thirty-second degree Mason and a Knight Templar in order to petition for initiation in a Temple of Nobles of the Mystic Shrine.

No Temple shall initiate or obligate a candidate except at a regular or ceremonial session, unless a special dispensation is granted by the Imperial Potentate. Application for such dispensation must be made at least seven clear days before it is to be used, and must also be accompanied by full statement of the facts and circumstances justifying the issuing thereof. Penalty for violation of this article shall be the suspension of the charter of the Temple so offending until the next session of the Imperial Council.

To receive and ballot upon petitions at a special meeting, due and timely notice shall be given to the members of the Temple, of the proposed election of candidates.

ARTICLE XII.

Amendments.

Section 1. Proposed amendments to the Constitution shall be in writing, and filed with the Imperial Recorder at least two months prior to the Annual Session of the Imperial Council, and notice of said proposed amendments shall be inserted by him in the summons for that session. Any such amendment may be adopted by a vote of two-thirds of the members present; *provided, however*, that the Imperial Council may, without such previous notice, by a vote of three-fourths of the members present at any session, revise, amend or alter this Constitution.

Sect. 2. All amendments proposed to this Constitution shall be in writing. They may be modified in any manner by the Imperial Council while the same is under consideration, but such modification must be germane to the subject matter of the proposed amendment. The entire section to be amended must be fully written out as the same will read with the proposed amendment incorporated therein.

ARTICLE VI.

Initiation Fee.

Section 1. The Order of the Nobles of the Mystic Shrine shall not be conferred upon any one for a less sum than fifty ($50) dollars; but Temples may increase the amount if desired.

Any Temple is permitted to confer the Order upon any candidates within its jurisdiction, who are in actual active service (as designated by the military and naval authorities in the present war), for the sum of twenty-five ($25.00) dollars, but not less. No rebate for expenses, fez, buttons, or evasions of any kind to be allowed.

Sect. 2. In each Temple of the Order the annual dues shall not be less than five dollars ($5), to be paid *in advance* alike by all members of the Temple except Life Members.

Any Temple may provide in its by-laws that candidates admitted to the Temple shall pay dues as follows: Between January 1st and March 31st, $5; between April 1st and June

30th, $3.50; between July 1st and September 30th, $2.50; between October 1st and December 31st, $1.50; which proportionate amounts shall constitute the dues of the candidate to December 31st of the current year. If any Temple has dues higher than five dollars per annum, candidates should pay proportionately in above ratio.

Any Temple is permitted to remit the annual dues of any of its members who are in active service in the present war, by presenting to such member his certificate or Shrine card (as detailed in Section 2, Article XIV, of the Code) each year, free of charge while such member remains in actual active service, and in any case not longer than until such time as the termination of the present war, or until he gets his discharge from active service.

ARTICLE VII.

Fees and Revenues.

Section 1. The revenues of the Imperial Council shall be derived from the following sources:

For every dispensation to form and open a Temple, there shall be required and paid one hundred ($100) dollars, which must accompany the application for dispensation, and when a charter is granted, an additional sum of fifty ($50) dollars shall be paid before the charter is delivered.

Sect. 2. Each subordinate Temple shall pay to the Imperial Council the sum of two dollars and fifty cents ($2.50) for each and every candidate receiving the Order of Nobles of the Mystic Shrine within such Temple, which sum shall be forwarded immediately to the Imperial Recorder, who shall forthwith issue a diploma of the Imperial Council to each and every candidate.

The Imperial Recorder shall, upon the request of the Recorder of any Temple, issue to every member who joins a Temple by affiliation a diploma, free of charge, upon the return to the Imperial Recorder of the diploma issued by the Temple in which the affiliate received the Order.

Sect. 3. Each subordinate Temple shall pay annually to the Imperial Council, in accordance with its membership, the following sums:

For 100 members or less, twenty-five dollars ($25).
For all members over and above 100 members, twenty-five cents for each member.

The dues shall accompany the annual return of every Temple to the Imperial Council.

Sect. 4. For every copy of the Oriental Ritual the fee shall be five ($5) dollars. They shall be issued only upon the application of a regular Temple of the Order, but no more than three copies shall be issued to any one Temple, and then only upon order of the Imperial Potentate.

ARTICLE VIII.

The Ritual.

Section 1. The Ritual, as promulgated by the Imperial Council for the use of the Order in its jurisdiction, shall be adopted uniformly by every Temple, and no alterations or additions shall be made in the Ritual, except by authority of the Imperial Council, and every departure therefrom will be considered as an indignity to the same.

ARTICLE IX.

Regalia, Emblems and Jewels.

Section 1. The emblems, jewels and costumes for every office in this Order, as promulgated by the Imperial Council in its Ritual, shall be strictly adhered to.

Sect. 2. The red Turkish fez, with black tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the jewel of the Order consisting of the crescent, sphinx head, and star combined, and embroidered thereon with gold and silver bullion or silk, without any designation of rank or title or any other indication of position or place whatsoever thereon, is hereby adopted as the uniform exclusive style of head covering for all Nobles of the Mystic Shrine, and none other shall be worn. This restriction does not apply to parts of costumes of patrols and bands when worn by members of these organizations while performing their duties as the working corps of the Temple.

Sect. 3. The emblems and jewels of the Mystic Shrine are the characteristic insignia of the Oriental nation from which the Order emanates. They are the Crescent, Pyramid, Sphinx Head, Panther-bodied Female Sphinx, the Urn, Sun, Moon, Stars, etc., and are used to decorate the Tombs, Banners, Draperies, Costumes, Regalia, etc. In mourning drapery, the combination is the Sun with Rays, Moon and Stars.

Sect. 4. Crescent. The original and universal Emblematic Jewel is the Crescent, formed of two nails from a tiger's paw,

united at their bases with a band of gold, and a ring at the base to suspend it as a charm or jewel, to be hung points downward. The gold band should be decorated with the Sphinx Head on one side, a Pyramid with the Urn upon it on the other; the name of the owner and the date of his receiving the Order engraved upon the sides; and inside the circle "Allah" or God, and the motto of the Order, which is "Robur et Furor," and signifies "Strength and Fury." Every Noble of the Mystic Shrine is entitled to wear this Jewel. The combining of the emblems of other secret orders with the Jewel of the Shrine is deemed inappropriate, and is therefore prohibited. The combining of Masonic emblems with the Jewel of the Shrine is inappropriate and should not be worn so combined.

Sect. 5. The wearing of the Fez and Jewel of the Order on occasions other than meetings of the Temples of the Arabic Order, or gatherings of Shriners under the authority of some legal body of the Order, is ill advised, and Potentates are expected to prevent such action by their members.

ARTICLE X.

Color of Card and Printing.

Section 1. The Imperial Recorder shall, at each annual session of the Imperial Council, announce the Color of the Card for the Visiting Certificate, and the Color of the Ink with which it shall be printed, for the following year. He shall also send to the Recorder of each Temple a notice of the announcement, and all Temples are hereby ordered to adopt the same.

ARTICLE XI.

Improper Circulars, Publications and Practices.

Section 1. The Imperial Council emphatically condemns all immoral and vulgar practices or allusions in the initiation of candidates, or in the printed notices issued by Temples to members of the Order.

The Potentate or presiding officer for the time being of each Temple shall be held personally responsible for not immediately arresting any attempt at vulgarity or obscenity.

No Potentate or Recorder of a Temple shall furnish to any one a list of the names of the members of his Temple, for the purpose of having the members circularized, or solicited for business purposes, nor shall any Temple issue appeals for aid

to any Nobles not members of said Temple, unless they bear the indorsement of the Imperial Potentate. No Potentate or Recorder shall issue with any official notice of the Temple, or as a part thereof, any announcement or advertising matter of a purely business character which has not been authorized by a vote of said Temple, and which does not bear the endorsement of the Imperial Potentate.

Sect. 2. Complaints or correspondence from individual Nobles on Imperial Council matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate, but a member of the Imperial Council may communicate directly with the Imperial Potentate. In case the Potentate of the Temple refuses or neglects to forward the communication as herein provided, the complainant may transmit the same directly to the Imperial Potentate.

For any violation of this law the Imperial Potentate may suspend the offending officer from office or arrest the work of the offending Temple until the next session of the Imperial Council.

ARTICLE XII.

Amendments.

Section 1. A proposed amendment to the By-laws may be submitted to the Imperial Council at any time during the session, and may be adopted by a vote of two-thirds of the members present at the session.

Sect. 2. All proposed amendments to the By-laws shall be offered in writing. They may be modified in any manner by the Imperial Council while the same are under consideration, but such modification must be germane to the subject matter of the proposed amendment. The entire section to be amended must be fully written out as the same will read with the proposed amendment incorporated therein.

CODE.

ARTICLE I.

Dispensations for New Temples.

Section 1. No dispensation for a new Temple shall be granted except by action of the Imperial Council, and then only upon the filing of a petition which shall have been signed by at least four hundred (400) Nobles of the Mystic Shrine, residing in what will be the territory of the proposed new Temple if the dispensation shall be granted; provided, also, that such dispensation shall not be granted in the event of the membership of the nearest Temple in the same jurisdiction being reduced to less than one thousand members by the withdrawal of the petitioners for the dispensation. The Imperial Council may, however, grant a dispensation for a Temple in unoccupied territory without such restrictions.

Sect. 2. The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

Sect. 3. An application for a dispensation for the formation of a new Temple must be on a prescribed form to be furnished by the Imperial Recorder, which must have printed thereon, in red ink, Section 6 of this article for the information and guidance of the Nobles signing the same.

Every name on the application must be the actual signature of the petitioner, and when once signed the name cannot be withdrawn from the application except on the written request of the petitioner, and the written authority for such withdrawal shall be attached to the application for dispensation when presented to the Imperial Council; otherwise the original signature must stand.

If after the application for a dispensation for a new Temple has been delivered to the Imperial Recorder, in accordance with the next paragraph of this section, a signer of the application desires to withdraw his name, he must send his request in writing direct to the Imperial Recorder, who shall erase the name from the pplication, and shall attach the authority for such erasure to the pplication before presenting it to the Imperial Council.

When completed the application must be filed with the Imperial Recorder at least sixty days prior to the annual session of the Imperial Council, and notice of such application must be published in the official call of the Imperial Council session. Unless such application is filed and published as herein provided, it must lie over until the next regular session of the Imperial Council.

Sect. 4. When the application for a dispensation is received by the Imperial Recorder he shall notify the Temple nearest the site of the proposed new Temple at least thirty days prior to the meeting of the Imperial Council, giving full information in regard to the application, in order that reasons may be presented, if desired, to the Imperial Council why such dispensation should not be granted.

Sect. 5. In the event of the granting of the dispensation by the Imperial Council, the Temple to which the dispensation is granted shall be liable for dues to the Imperial Council only for the fractional part of the year remaining after the dispensation is granted, and for the per capita dues in full on members created.

Sect. 6. A Noble signing an application for a dispensation for a Temple becomes a member of the Temple under dispensation on the day such dispensation is granted by the Imperial Council and shall be amenable to it for dues; provided, however, that the Temple of which he was a member prior to the granting of the dispensation may retain the dues already received from such member for the current year.

His membership in his former Temple is automatically dissolved by the granting of a charter to the new Temple, the application for the dispensation of which he signed, unless he gives notice in writing to the Recorder of the Temple U. D. at or before the surrender of the dispensation (after the charter is granted) of his intention to resume his former membership, and it shall be the duty of the Potentate of the New Temple to cause the Recorder to immediately notify all Temples in which the charter members formerly belonged, of these facts.

Sect. 7. If the dispensation of a new Temple is taken up and no charter granted, the membership of all Nobles who had signed the application reverts to the Temples of which they were members prior to the granting of the dispensation, and all members of said Temple created therein become members of the Order at large, subject to the authority of the Imperial Council, and are

entitled to a certificate to that effect from the Imperial Recorder, which certificate has the force of a demit, for the purpose of affiliation.

Sect. 8. A Temple under dispensation has a legal existence and a legal jurisdiction, and, whether it works or not, such jurisdiction cannot be interfered with except by action of the Imperial Council. Such a Temple, however, cannot adopt by-laws until a charter has been granted and the Temple regularly constituted in accordance with the laws of the Imperial Council, but it shall in the mean time be governed by the Constitution, By-laws, and Code of the Imperial Council.

Sect. 9. A Temple under dispensation has no power to elect officers, but must retain its provisional officers until a charter has been granted to it.

The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

Sect. 10. No charter shall be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between two regular sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for conferring the Order.

Sect. 11. When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE II.

Jurisdiction of Temples.

Section 1. The territorial jurisdiction of subordinate Temples, chartered by this Imperial Council, extends in all directions to one-half the distance, by a direct line, between itself and the nearest Temple, *provided*, that in no case can it extend beyond the limits of the State, Territory, or district in which it is located; *provided*, also, that Temples occupying the same State or Territory may agree upon concurrent jurisdiction within, or an equitable division of their territory, should they so desire; *provided*, also, that every Temple shall have exclusive jurisdiction in the city and county in which the Temple is located under charter; *provided*, also, that the Imperial Council may declare concurrent

jurisdiction or an equitable division of territory between all Temples in States where more than one Temple exists, should it appear for the best interests of the Order to do so, but only after said disputing Temples have failed to agree upon concurrent jurisdiction or an equitable division of territory.

Sect. 2. A Temple shall not act upon a petition for initiation of any one residing within the jurisdiction of another Temple without first obtaining permission of such Temple. It shall be competent in such cases for the Temple to waive its jurisdiction and permit another Temple to confer the Order upon one residing within its jurisdiction. No Potentate, however, shall have the power in himself to grant such waiver, but it shall be given only by authority and under the seal of the Temple so granting it. A Temple cannot grant a blanket waiver. Temples having concurrent jurisdiction must notify each other of the names and addresses of all candidates rejected, or to whom objections have been made.

It shall be the duty of the Imperial Potentate to suspend the work of any Temple violating the provisions of this section until the next meeting of the Imperial Council.

Provided that persons actually in the military or naval service of their governments during the present war and temporarily in camps or service outside their home jurisdiction, who desire to be initiated into the A.A.O.N.M.S., may apply to the most convenient Temple, which upon receipt of such petition shall notify the Temple in his home jurisdiction (if in concurrent territory the Temple of the applicant's choice therein), with full particulars as to name, residence, age, occupation, and membership in prerequisite, whereupon the Potentate of said Temple so notified, and after investigation may either grant a waiver to the Temple requesting it, or may declare the applicant duly elected to receive the Order in his home Temple and be a member thereof, and request the Temple receiving the petition to collect the fee and confer the Order for the home Temple; provided further, that the action of the Potentate must in each case be reported to his Temple at its next regular session.

Sect. 3. A candidate having been elected in a Temple, it is within the power of that Temple to ask, under seal, another Temple to confer the Order upon the candidate as a compliment to the Temple making the request. The Temple conferring the Order should certify to the same, under seal, to the Temple in

which the candidate was elected. The Temple which elected the candidate must enter this official communication upon its record, place his name upon its membership list, and recognize him as a member of that Temple.

Sect. 4. Each Temple is sovereign in its own jurisdiction whether under dispensation or chartered, and no applicant, actually resident in such jurisdiction, can apply elsewhere for the Order without the consent of the Temple. Where two or more Temples hold concurrent jurisdiction over territory, the consent of *each* will be necessary to enable an applicant of that jurisdiction to be created a Noble in a Temple in any other jurisdiction. A Temple having received a petition from one possessing the necessary qualifications and having regularly elected the candidate, retains jurisdiction over him until initiation, no matter whether said candidate subsequently removes from its jurisdiction or not.

Sect. 5. Temples may open and confer the Order at any place within their jurisdiction, notice being given of such intent, and candidates having been previously elected; but no other business can be transacted at such sessions except conferring the Order, *unless* where two or more Temples hold concurrent jurisdiction over territory, in which case all Ceremonial Sessions must be held at the city or town in which the Temple is permanently located; but the Imperial Potentate upon request of any Temple, accompanied by a waiver of jurisdiction from the Temple or Temples having concurrent jurisdiction, may grant a special dispensation to hold a Ceremonial Session at any place requested in said concurrent jurisdiction.

A Temple may hold a Ceremonial Session in States and Territories where no Temples exist, providing they obtain a special dispensation from the Imperial Potentate empowering them so to do.

A Temple may grant consent to another Temple to hold a Ceremonial Session within the jurisdiction of the first Temple, subject to the laws of the Order in regard to the election and initiation of candidates.

Sect. 6. Each Temple is sovereign in its own jurisdiction in all matters pertaining to the Order of Nobles of the Mystic Shrine, and has jurisdiction for purposes of discipline over all sojourning Nobles. No organization of any kind using emblems of the Order, or a title or titles, pronouncing it to be an organiza-

tion of Shriners, shall be organized in the jurisdiction of a Temple except with the official sanction of said Temple.

An Arab Patrol or Shrine Band is part of the working corps of the Temple, and is under the control and authority of the Potentate. No Temple shall adopt any By-law setting aside or appropriating any portion of the fees or dues of the Temple to and for the exclusive use of any band or patrol or any subordinate club or organization in the Temple.

No Temple of Nobles of the Mystic Shrine can organize a female patrol or any uniformed body of women and introduce the same into the Temple at a ceremonial session, or permit such organization to parade, drill, or appear in public under the auspices of the Temple, or by its authority.

In the annual parade of Temples of the Order at meetings of the Imperial Council, or in parades given under the auspices of subordinate Temples of the Order, no one shall be permitted to participate in the parade but members of the Order, uniformed bands, and male servants accompanying Temples. Females wearing uniform of a Temple Band, playing and marching with them, is prohibited.

No Temple shall organize or recognize in any way, any body of women, or men and women, calling itself an Oriental Shrine, or purporting to be an oriental order, and to be composed of Nobles of the Mystic Shrine and female relatives of such, and making such relationship the prerequisite for membership in such body.

The introduction in street parades of Novices or Nobles attired in grotesque or humiliating costumes or undignified dress of any kind is strictly prohibited.

An Arab Patrol or Shrine Band, or both, of any Temple may appear in patriotic and memorial parades, provided, however, such appearance is approved and recommended by the Illustrious Potentate of the Temple holding control and authority over such Arab Patrol or Shrine Band, and provided further that such appearance is sanctioned and approved by the Imperial Potentate.

When an Arab Patrol or Shrine Band, or both, of any Temple appears in patriotic or memorial parade, such appearance shall be under the auspices of the Temple with which they are identified, and in no circumstances shall the members thereof, or the organizations themselves, or the Temple receive any money, gratuity, concession, favor, or compensation for such appearance or par-

ticipation. The provisions in this paragraph do not prohibit the appearance of such Arab Patrol or Shrine Band as organizations and representative of their Temple from participation in strictly Masonic demonstrations or parades, provided, however, authority for such appearance has been granted as herein stated therefor.

ARTICLE III.

Subordinate Temples — How Constituted.

Section 1. All regular subordinate bodies of the Ancient Arabic Order of the Nobles of the Mystic Shrine are termed Temples, and shall consist of the following officers:

I.	Illustrious Potentate	*Shayk*
II.	Chief Rabban	*Emeer*
III.	Assistant Rabban	*Sahib*
IV.	High Priest and Prophet	*Imam*
V.	Oriental Guide	*Ayn*
VI.	Treasurer	*Chayzin*
VII.	Recorder	*Katib*
VIII.	First Ceremonial Master	*Wakil*
IX.	Second Ceremonial Master	*Alam*
X.	Director	*Malah*
XI.	Marshal	*Amal*
XII.	Captain of the Guard	*Rays*
XIII.	Outer Guard	*Hafiz*

and as many members as the Temple may admit.

The first seven officers shall be elected annually by ballot. The remaining officers shall be appointed by the Illustrious Potentate.

A quorum in a Temple consists of seven members entitled to vote therein, including an officer entitled to open the body, this officer being the Illustrious Potentate, Chief Rabban, Assistant Rabban, or a Past Potentate of the Temple.

ARTICLE IV.

Election of Officers.

Section 1. Each Temple shall elect its elective officers and its representative or representatives by ballot and by a majority vote in each case. Said election to be held at a regular meeting to be held in December of each year. Each elective officer shall be elected separately and by distinct ballot, the use of a blanket ballot for the election of officers being prohibited. Blank ballots

are not votes and shall not be considered as such. If there is but one representative to be elected the same rule shall prevail. If the Temple is to elect more than one representative, all candidates for the office of representative shall be balloted for on one ballot and each member voting must vote for the total number of representatives to be elected, otherwise his ballot cannot be considered as a vote. A majority vote of those present and voting shall be necessary to elect each representative. If on the first ballot one or more candidates shall receive a majority vote of those present and voting, he or they shall be declared elected. A ballot shall then be taken in the same manner until all representatives of the Temple are elected.

The circulation or distribution of resolutions, letters, or tickets by a Noble or Nobles suggesting or recommending or containing the names of proposed candidates for office in the Temple is prohibited.

The installation of officers shall take place immediately, or at the first succeeding session of the Temple.

If a public installation of officers be deemed desirable, the officers-elect must take the oath of office in the body of the Temple when properly guarded, and prior to the public ceremony of installation. Should it be impossible to hold the election as required, a special dispensation to hold such election must be obtained from the Imperial Potentate. In the event of the resignation of any officer or representative (except as provided for in Section 2, Article VII, of the Code), the Temple may elect a successor without a special dispensation for that purpose, provided a notice is given to the members of the Temple that said election will be held.

ARTICLE V.

Enthronement.

Section 1. Previous to the enthronement of a Potentate-elect, the Imperial Council requires his assent to the following ordinances (see also Section 3, Article IV of the Constitution):

Do you solemnly vow, upon your honor, that you will exert your best endeavors to promote the true happiness of your brother Nobles of the Mystic Shrine?

That you will endeavor to promote the general good of the Order and observe the solemnity of the ceremonies with profound respect and reverence?

That you will not acknowledge or have intercourse with any Temple which does not work under constitutional authority as recognized by the Imperial Council?

That you will ever maintain and support the authority of the Imperial Council for North America, and enforce obedience to its Constitution, Regulations and Edicts?

Do you submit to all these ordinances and promise to observe and practise them faithfully? Answer.

ARTICLE VI.

Illustrious Potentate — Duties.

Section 1. The Illustrious Potentate is especially charged to see that the By-laws of his Temple are duly observed, as well as the Constitution, Regulations and Edicts of the Imperial Council; that accurate records are kept and just accounts rendered; that regular returns are made to the Imperial Council, and that the annual dues are promptly paid; and that no fewer than two stated sessions are held annually, of which one shall be held in December. He shall see that a copy of each printed notice issued by his Temple to its members shall be mailed to the Imperial Potentate as soon as the same is sent to the members of his Temple.

Sect. 2. Special sessions of a Temple may be called by the Illustrious Potentate at any time, due notice thereof being given to each member, stating the business to be considered, and no other business than that specified in the call or summons shall be transacted.

ARTICLE VII.

Officers of Temples — Duties.

Section 1. The duties of the officers of the Temples shall be those assigned to them in the Ritual, and as traditionally appropriate to them respectively, as also those defined in the Constitution and Regulations.

Sect. 2. The Potentate, Chief Rabban, and Assistant Rabban cannot resign after having been duly elected and installed, but upon the death of either of these officers, or of the permanent removal from the jurisdiction of the Imperial Council, or of forfeiture through any cause of membership in the Order, a special election may be held to fill the vacancy, and any vacancy that may occur by virtue of any officer being promoted at such special election may be filled at such special election. A dispensation for

the special election above provided for shall be secured from the Imperial Potentate. Any other officer of a Temple may resign his office, and in case of an elective office the vacancy shall be filled by an election at the next regular meeting or at a special meeting called for the purpose, and that of an appointive office shall be filled by appointment by the Potentate of the Temple. No member can be forced to accept an election or appointment to office.

ARTICLE VIII.

Ballot on Candidates.

Section 1. If, upon the balloting for a candidate, subsequent to a favorable report, three black balls shall appear, another ballot shall immediately be had, but no more. Upon the appearance of three black balls a second time, the candidate shall be declared rejected and disqualified from making a second application for thirteen weeks. Petitions shall be referred to a committee at a regular or special meeting of the Temple and not be acted upon until such committee reports, at the same or any succeeding meeting.

Sect. 2. After a candidate has been declared elected, any subsequent objection or protest must be presented to the Potentate in writing, signed by at least three members of the body and must stand. The fact that said objection has been made, but not the written objection itself, shall be entered upon the minutes, and shall have the same force and effect as a second ballot, and shall prevent a reconsideration of the matter for thirteen weeks.

ARTICLE IX.

Decision of Questions.

Section 1. All questions shall be determined by a majority of votes, except amendments to the By-laws, in which case a two-thirds majority of the members present and voting shall be required.

Sect. 2. The presiding officer shall have no vote unless there be a tie, when he shall have the deciding vote.

Sect. 3. No appeal from the decision of the Illustrious Potentate shall lie to the Temple. Any member may appeal from the decision of the Illustrious Potentate to the Imperial Potentate, whose decision shall stand until the same shall be revoked or approved by the Imperial Council.

ARTICLE X.

Names of Temples.

Section 1. Every Temple formed in this jurisdiction shall select an ancient Arabic or Egyptian name, according to the ancient laws of the Order.

ARTICLE XI.

Seal of Temples.

Section 1. Every Temple in this jurisdiction shall have a seal, giving the name thereof, an impression of which shall be deposited with the Imperial Recorder.

ARTICLE XII.

By-laws.

All applications for new by-laws or amendments to existing by-laws of Temples must first be ratified by the Temple presenting them for approval, at a regular session of the Temple, or at a special session called for that purpose, due notice having been given in either case to every member of the Temple and a copy of such ratification inserted thereon and signed by the Potentate, attested by the Recorder, and the seal of the Temple placed thereon.

Where approval of amendments to by-laws is asked for, the petition must contain a copy of the by-law as it formerly was, as well as the proposed amendment.

They shall then be forwarded in *triplicate* to the Imperial Recorder, who shall send them without delay to the Standing Committee on Jurisprudence and Laws. They must, however, be in the office of the Imperial Recorder at least thirty days before the meeting of the Imperial Council in said year. If the committee approve of them then they shall make such approval thereon in writing and forward two copies (the committee retaining one copy) to the Imperial Potentate for his confirmation. If confirmed by the Imperial Potentate they shall at once go into effect and become law, and he shall forward them to the Imperial Recorder who shall retain one copy for the records of the Imperial Council and send the other copy to the Temple interested.

At each session of the Imperial Council the Imperial Recorder shall present a list of all new or amended by-laws which have been approved by the Committee on Jurisprudence and Laws and confirmed by the Imperial Potentate during the recess of

the Imperial Council, and if adopted by the Imperial Council they become absolute law. The Imperial Recorder shall also submit a list of any by-laws or amendments which have been rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for such rejection. Any Temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of their by-laws or amendments thereto, has the right to appeal to the Imperial Council, and the decision of that body shall be final.

When a change is authorized by the Imperial Council affecting the Constitution, By-laws, or Code, and such change affects the by-laws of any Temple, the by-laws of the Temple so affected shall *ipso facto* become automatically changed to conform with those of the Imperial Council, and it shall be the duty of every Temple to at once make such changes in their by-laws upon receiving the printed copy of the Proceedings of the Imperial Council from the Imperial Recorder, and to proceed in conformity thereto.

All Temples not having by-laws of their own shall work under the Constitution, By-laws, and Code of the Imperial Council, but it is recommended that all Temples should adopt by-laws for their government.

ARTICLE XIII.

Membership in Temples.

Section 1. Any person applying for the Order to any Temple shall be an actual resident for at least six months of the jurisdiction of the Temple to which he applies. Actual residence is defined to mean the place where the applicant in good faith makes his home; any Temple of the Order may, however, receive and act upon the petition of one who is a resident of a Country, Territory, or State wherein no Temple of the Order exists. Membership may be terminated by voluntary dimission upon payment of all indebtedness to the Temple, or by expulsion from the Order after due trial, and a vote of three-fourths of the members present when the vote is taken.

Sect. 2. A Noble can hold active membership in but one Temple. In order to retain membership in a Temple a Noble must be in good standing in one or the other of the two prerequisite Masonic bodies, a Commandery of the Order of Knights Templar

or a Consistory of the Ancient Accepted Scottish Rite. Where a Noble holds membership in both of these prerequisite bodies, so long as he is in good standing in one or the other of these bodies his membership in the Temple is not affected by any action of the other prerequisite body in depriving him of membership in that body.

In case a Noble holds membership in only one of the prerequisite bodies and who for any cause is suspended or expelled by that body, he stands suspended or expelled, as the case may be, in his Temple, until restored to good standing by the prerequisite body suspending or expelling him, when he shall be restored to good standing in his Temple without vote of that body. He shall not be charged with dues to the Temple during the period of his suspension. The acquirement of the other prerequisite subsequent to his suspension or expulsion does not restore him to good standing in his Temple.

When a Temple learns in an official manner that one of its members, by reason of his non-affiliation for six months or more, is not in good standing in at least one of the Masonic bodies, membership in which is a prerequisite to membership in the Shrine, then the Temple shall notify the member so charged that he must appear in the Temple or give evidence to the Temple, at its first stated session thereafter, that the non-affiliation is not voluntary on his part. Should he fail to do this, he shall be declared suspended from all his rights and benefits of membership in the Temple until he removes the cause of his suspension.

No dimit can be granted to a Noble accused of violation of the laws of the Order pending his trial. No Temple can withhold a dimit from a Noble who is free from charges and indebtedness to the Temple. A dimit is a certificate that the Noble named therein is in good standing and of good repute and recommended as such to other Temples. A Temple may issue a duplicate dimit to a Noble, but must satisfy itself that the Noble asking for it is still in good repute.

Sect. 3. Affiliation is a matter solely between the applicant and the Temple to which he applies. A Noble of the Mystic Shrine holding a dimit from a legal Temple may present his petition to any Temple of the Order.

Sect. 4. A member may be suspended for non-payment of dues, or suspended or expelled for conduct unbecoming a member of the Order.

To suspend for non-payment of dues a majority vote only of the members present at any regular meeting shall be necessary, provided notice has been given to the delinquent member that he is in arrears and an opportunity afforded him to be present.

For conduct unbecoming a member of the Order it shall require a vote of two-thirds of the members present to suspend him from membership, and a vote of three-fourths of the members present to expel a member at any regular meeting.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 30th Day of the 7th Month, Rajab, 1337 (marked 274 in red), is the 1st day of May (also marked 274 in red).

What day in the Mohammedan year is May 17, 1919?

Over 290 (in red) in the Mohammedan Calendar is found Saturday, the 16th day of the 8th month, Shaaban, 1337.
